COM 105

1. Explanatory memorandum

In its food aid programme for 1981, the Commission proposed to allocate via the UNHCR 15.000 tons of cereals for the Afghan refugees in Pakistan. However, it was not possible when the programmes were drawn up to calculate the quantities of milk products required.

The UNHCR, supported by the WFP, has just announced the food requirements of these refugees for the period up to 31 December 1981.

On the basis of an estimated 1.700.000 refugees and a ration of 500 g of wheat, 30 g of milk, 30 g of oil, their uncovered requirements over the period in question are :

119.450 tons of wheat,
7.980 tons of milk,
10.818 tons of oil,

2. UNHCR request and scope for community action

a) Request

On the basis of this information, the UNHCR has submitted a request for cereals, milk and oil, plus a contribution for the purchase of sugar, asking that these items be supplied "free at destination".

b) Community reply (1)

The food aid programme for 1981 has earmarked 15.000 tons of cereals to be supplied via the UNHCR (estimated value 4.02 million ECU at internal prices and 2.70 million ECU at world prices); in the case of milk products, it could be decided to allocate 3.000 tons of skimmed milk powder and

Moreover, for for 1981, 550 tons of butteroil and 5.000 tons of cereals are due to be supplied under the 1980 allocations(estimated value 3.35 million ECU of internal prices and 1.55 million ECU at world prices).

500 tons⁽¹⁾ of butteroil, to be supplied free at destination.

3. Financing

The value of this aid is estimated as follows :

Product	Estimate at world prices (Million ECU)	Estimate at internal prices (Million ECU)
3.000 t skimmed milk powder	2,59	4,38
500 t butteroil	1,02	2,11

The skimmed milk powder and butteroil can be financed from the appropriations available in the Communities general budget.

./.

(1) To be charged to the general reserves of the 1980 programme in the case of skimmed milk powder, where a quantity of 6.115 t is available, and butteroil, where 1.024 t is available.

In conclusion, it is suggested that the Commission propose to the Council :

- that it approve the allocation to the UNHCR as emergency aid for the Afghan refugees in Pakistan of 3.000 tons of skimmed milk powder and 500 tons of butteroil to be charged to the general reserves of the food aid programmes for 1980.

The above food aid will be supplied free at destination.
