COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 597 final

Brussels, 20 September 1982

Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2915/79 with regard to the
application of a reduced levy in respect of certain cheeses

(submitted to the Council by the Commission)

COM(82) 597 final

20-1-83

Explanatory Memorandum

1. The Community and Norway have concluded a temporary arrangement for a concerted discipline concerning reciprocal trade in cheese. The arrangement enters into force on 1 January 1983.
2. In order to implement the arrangement it is necessary to amend Council Regulation (EEC) No 2915/79 of 18 December 1979 determining the groups of products and the special provisions for calculating levies on milk and milk products and amending Regulation (EEC) No 950/68 on the Common Customs Tariff, as last amended by Regulation (EEC) No 1463/82, viz.:
 - fix the levy at 55 ECU per 100 kg net weight as agreed and include a reference to the product in Article 11(2) of the said Regulation;
 - supplement Annex II by including the cheese's description agreed in the arrangement.
3. In this connection, "ex" should be added to the Common Customs Tariff subheadings listed in Annex II since the description of the goods covers only part of the subheading referred to.
4. Since the Regulation is to apply as from 1 January 1983 provision must be made for its adoption by the Council and its publication in the Official Journal at least two months beforehand so that the Commission can adjust the implementing Regulations and the customs authorities in the Member States can take the necessary measures for the entry of the cheese into the Community.

Proposal for
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2915/79 with regard to the application of
a reduced levy in respect of certain cheeses

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the
common organization of the market in milk and milk products¹, as last amended
by Regulation (EEC) No 1183/82², and in particular Article 14(6) thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 2915/79 of 18 December 1979 determining
the groups of products and the special provisions for calculating levies on
milk and milk products and amending Regulation (EEC) No 950/68 on the Common
Customs Tariff³, as last amended by Regulation (EEC) No 1463/82⁴, lays down
certain conditions for the entry into the Community of certain cheeses falling
within heading No 04.04 of the Common Customs Tariff; whereas the most recent
amendment was required following bilateral agreements concluded under GATT;

whereas, in the case of the
agreement with Finland, the scope of the undertakings given concerning the
"Finlandia" cheese quota should be more precisely specified;

Whereas the Community has concluded with Norway a temporary arrangement for a
concerted discipline concerning reciprocal trade in cheese; whereas the

implementation of the arrangement, which enters into force on 1 January 1983, also requires the amendment of Regulation (EEC) No 2915/79;

Whereas the arrangement provides for a restriction on the quantities of Jarlsberg cheese on importation into the Community for a three-year period and on the levy applicable; whereas, accordingly, Article 11(2) of Regulation (EEC) No 2915/79 and Annex II thereto should be supplemented;

Whereas the descriptions of the goods in Annex II to the said Regulation cover only part of the products which fall within the Common Customs Tariff subheadings referred to therein; whereas the Annex in question should be amended by adding "ex" in front of each subheading,
