Proposal for a

COUNCIL REGULATION

amending Council Regulation (EC) No 763/2000 extending the definitive anti-dumping duty, imposed by Regulation (EC) No 584/96 on imports of certain tube and pipe fittings, of iron or steel, originating in the People's Republic of China to imports of certain tube and pipe fittings, of iron or steel, consigned from Taiwan, whether declared as originating in Taiwan or not, and terminating the investigation in respect of imports from three Taiwanese exporters

(presented by the Commission)

EXPLANATORY MEMORANDUM

Attached is a proposal for a Council Regulation amending Council Regulation (EC) No 763/2000 which extends the definitive anti-dumping duty, imposed by Regulation (EC) No 584/96 on imports of certain tube and pipe fittings, of iron or steel, originating in the People's Republic of China to imports of certain tube and pipe fittings, of iron or steel, consigned from Taiwan, whether declared as originating in Taiwan or not, and terminating the investigation in respect of imports from three Taiwanese exporters.

It was found that the text of the Regulation, as it stands, does not allow products manufactured by the excepted producers and exported through a third party trader to be exempted from the extension of the duty.

Consequently, it was concluded that the text of the Council Regulation in question should be amended in order to enable the application of an exemption of the duty to products manufactured by the excepted producers and exported to the Community market by third party traders.

COUNCIL REGULATION

amending Council Regulation (EC) No 763/2000 extending the definitive anti-dumping duty, imposed by Regulation (EC) No 584/96 on imports of certain tube and pipe fittings, of iron or steel, originating in the People's Republic of China to imports of certain tube and pipe fittings, of iron or steel, consigned from Taiwan, whether declared as originating in Taiwan or not, and terminating the investigation in respect of imports from three Taiwanese exporters

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 384/96 of 22 December 1995 on protection against dumped imports from countries not members of the European Community⁽¹⁾,

Having regard to the proposal submitted by the Commission after consulting the Advisory Committee,

Whereas:

- (1) Council Regulation (EC) No 763/2000⁽²⁾ (the Regulation) extended the definitive anti-dumping duty of 58.6% imposed by Council Regulation (EC) No 584/96⁽³⁾ to imports of the same product consigned from Taiwan, whether the product is declared as originating in Taiwan or not, with the exception of products manufactured and exported by the three cooperating Taiwanese exporters.
- (2) It is the consistent practice of the Community Institutions to individualise anti-dumping measures in respect of goods manufactured by individual concerns.
- (3) The text of Article 1 of the Regulation limits the exemption from the extension of the duties to products manufactured and directly sold to the Community by the three cooperating Taiwanese exporters concerned.
- (4) On the basis of the findings of the relevant investigation, it appears appropriate that the scope of the exemption encompass all export sales of the product manufactured by the exporters concerned, either directly or through a third party trader.
- (5) Article 1 of the Regulation should therefore be amended in order to make the exemption applicable to products manufactured by the three cooperating Taiwanese
