

Commission Communication in the framework of the implementation Directive 97/23/EC of the European Parliament and of the Council of 29 May 1997 on the approximation of the laws of the Member States concerning pressure equipment ⁽¹⁾

(2003/C 233/10)

(Text with EEA relevance)

According to the provisions of article 11, paragraph 3, of Directive 97/23/EC the references of the following European Approval for Materials (EAMs) are published:

Number	Short name	Full title
0879-1:2001/05	EAM Nickel 201-1	EAM Nickel 201 — Hot and cold rolled plates, sheets and strips (pure nickel with low carbon for pressure equipment)
0879-2:2001/05	EAM Nickel 201-2	EAM Nickel 201 — Forgings (pure nickel with low carbon for pressure equipment)
0879-3:2001/05	EAM Nickel 201-3	EAM Nickel 201 — Bars (pure nickel with low carbon for pressure equipment)
0879-4:2001/05	EAM Nickel 201-4	EAM Nickel 201 — Seamless Tubes (pure nickel with low carbon for pressure equipment)

Note:

Materials used for the manufacture of pressure equipment conforming with EAMs are presumed to conform to the applicable essential requirements of Directive 97/23/EC Annex I. Original copies of this European Approval for Materials may be obtained from TÜV UK Surrey House, Surrey Street, Croydon CR9 1XZ, United Kingdom, tel. (44-20) 86 80 77 11, fax (44-20) 86 80 40 35, e-mail: london@tuv-uk.com, an administration charge of GBP 19,99 is payable with the order. A reference list of published EAMs is accessible from the website http://europa.eu.int/comm/enterprise/pressure_equipment, operated by the European Commission.
