Amendment 3

Recital 7a (new)

(7a) The Commission should submit to the European Parliament and the Council an annual report with an analysis of the implementation of the International Tropical Timber Agreement, 2006 and of measures to minimise the negative impact of trade on tropical forests, including bilateral agreements concluded pursuant to the Forest Law Enforcement, Governance and Trade (FLEGT) programme. Trade in tropical timber should only be encouraged to the extent compatible with these prior objectives.
