4. Strongly reiterates its call to Council not to harm such efforts towards a more prompt delivery of Union assistance through any undue postponement of its decision on such a sensitive and pressing issue;
5. Recalls that for the previous mobilisation of the EUSF (Amending budget No 2/2012 concerning flooding in Liguria and Tuscany in October 2011), the budgetary authority did not need to provide fresh money, because some unexpected sources for redeployments appeared for the required amount; stresses that the current shortage of payment appropriations, which already affects a number of programmes, in particular those on which the Growth and Jobs Compact adopted by the European Council of 29 June 2012 relies heavily, strictly excludes any such redeployment to be envisaged for this case;
6. Approves, without amendment, Council's position on Draft amending budget No 5/2012;
7. Instructs its President to declare that Amending budget No 5/2012 has been definitively adopted and arrange for its publication in the Official Journal of the European Union;
8. Instructs its President to forward this resolution to the Council, the Commission and the national parliaments.
