13. Evaluation

- (a) The Commission should send ex-post evaluation reports to the European Parliament and the Council, assessing the results and efficiency of recently-completed macro-financial assistance operations and the extent to which they have contributed to the aims of the assistance.
- (b) The Commission should regularly, and at least every four years, evaluate the provision of the macro-financial assistance, providing the European Parliament and the Council with a detailed overview of macro-financial assistance. The purpose of such evaluations should be to ascertain whether the objectives of the macro-financial assistance have been met and whether the conditions of the macro-financial assistance, including the threshold set out in point 7(c), continue to be met, as well as to enable the Commission to make recommendations for the improvement of future operations. In its evaluation, the Commission should also assess the cooperation with European or multilateral financial institutions when providing macro-financial assistance.
