## 1. INTRODUCTION

Draft amending budget (DAB) No 7 for the year 2013 covers an increase of commitment appropriations of EUR 150,0 million in heading 1b of the multi-annual financial framework (MFF). This is with the aim of addressing certain issues resulting from the final outcome of the negotiations of the MFF for the years 2014-2020, affecting France, Italy and Spain. The European Council of 27 and 28 June 2013 considered that a budgetary solution should be given to that matter.

Having regard to the current economic crisis and as a contribution to the special effort needed to address the specific situations of unemployment, in particular youth unemployment, and of poverty and social exclusion in these Member States, the Commission considers that the most appropriate way to assist them is by increasing the European Social Fund (ESF). As the existing allocations have already been fully committed in the EU budget, the Commission proposes to increase the ESF allocations to those three Member States for the year 2013. The reinforcement of EUR 150 million in commitment appropriations will be covered by the margin under the expenditure ceiling of heading 1b (EUR 16,0 million), and by the mobilisation of the Flexibility Instrument (EUR 134,0 million) targeted to this specific action.

## 2. ADDRESSING THE SPECIFIC SITUATIONS OF UNEMPLOYMENT, IN PARTICULAR YOUTH UNEMPLOYMENT, AND OF SOCIAL EXCLUSION IN THE AFFECTED MEMBER STATES

The proposed amounts will be added to existing ESF programmes. To ensure the effectiveness of the increase of commitment appropriations for the year 2013 and facilitate the implementation of the programmes, the Commission has taken into account the absorption capacity of the Member States concerned for the two objectives of the Funds: ‘Convergence objective’ and ‘Regional competitiveness and employment objective’.

## 3. INCREASE OF COMMITMENTS IN HEADING 1B OF THE MFF

The overall request for reinforcement of commitment appropriations in heading 1b amounts to EUR 150 million, broken down as follows:

Budget Line	Heading 1b	Commitments (EUR)
04 02 17	European Social Fund (ESF) — Convergence	16 683 215
04 02 19	European Social Fund (ESF) — Regional competitiveness and employment	133 316 785
	<b>Total</b>	<b>150 000 000</b>

The breakdown between the two budget lines could be adjusted according to the needs.

In accordance with the payment rules of the Structural Funds, all payment applications for a programme are assigned to the earliest open commitments. There is accordingly no need for additional payments in 2013 for these additional commitments.
