(2019/C 79/05)

1. On 25 February 2019, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- SEGRO plc ('SEGRO', United Kingdom),
- Public Sector Pension Investment Board ('PSPIB', Canada),
- Oignies Site (France).

SEGRO and PSPIB acquire within the meaning of Article 3(1)(b) of the Merger Regulation joint control of the whole of the Oignies Site.

The concentration is accomplished by way of purchase of assets.

2. The business activities of the undertakings concerned are:

- for SEGRO: ownership, asset management and development of modern warehousing and light industrial properties located around major conurbations and at key transportation hubs across a number of EU countries,
- for PSPIB: investment of net contributions to the pension funds of the federal Public Service, the Canadian Forces, the Royal Canadian Mounted Police and the Reserve Force. It manages a diversified global portfolio including stocks, bonds and other fixed-income securities, and investments in private equity, real estate, infrastructure, natural resources and private debt,
- for the Oignies Site: a warehouse with an area of 34 393m² in Oignies (20 km south of Lille, France), constructed in 2010 and let to Condi Services, one of the third-party logistics providers for Leroy Merlin's e-commerce logistics.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.
