1. INTRODUCTION

Council Regulation (EC) No 1217/2009 ⁽¹⁾ provides for the rules on the setting up of a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Union.

Article 19a of that Regulation empowers the Commission to adopt delegated acts in order to specify the content of the additional reporting that Member States shall submit to the Commission concerning specific aspects such as the list of FADN divisions, the rules fixing thresholds and plans, the reference period for standard outputs, the type of farming and data collection.

2. LEGAL BASIS

This report is required under Article 19a of Council Regulation (EC) No 1217/2009, which provides that the power to adopt delegated acts is conferred on the Commission for a period of five years from 20 December 2013 and that the Commission is required to prepare a report in respect of the delegation of power.

The first report of the Commission pursuant to Article 19a of Council Regulation (EC) No 1217/2009 was submitted to the Council and to the European Parliament on 7 February 2018 ⁽²⁾ and covered the period from 2013 until 2017. In accordance with Article 19a of Council Regulation (EC) No 1217/2009, the delegation of power has been tacitly extended for a five-year period.

3. EXERCISE OF THE DELEGATION

This report covers the period 2018-2022. The Commission has adopted in this period one delegated act: **Commission Delegated Regulation (EU) 2022/2497** ⁽³⁾ which amended Annex I to Regulation (EC) No 1217/2009.

Council Regulation (EC) No 1217/2009 empowers the Commission to adopt delegated Regulations laying down the rules related to the data for the determination of incomes and the business analysis of agricultural holdings, with the aim of ensuring a harmonized framework for the information to be reported by Member States.

As provided by Article 3, Articles 5(1) and 5a(1), Article 5b(2) and (3) and Article 8(3) of that Regulation the delegated act should notably establish rules:

- for updating the list of FADN divisions,

⁽¹⁾ Council Regulation (EC) No 1217/2009 of 30 November 2009 setting up a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Union (OJ L 328, 15.12.2009, p. 27).

⁽²⁾ Report from the Commission to the European Parliament and the Council on the exercise of the power to adopt delegated acts conferred on the Commission pursuant to Council Regulation (EC) No 1217/2009 of 30 November 2009 setting up a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Union, COM(2018)57 final.

⁽³⁾ Commission Delegated Regulation (EU) 2022/2497 of 12 October 2022 amending Annex I to Council Regulation (EC) No 1217/2009 as regards the divisions of France and the United Kingdom in the Union Farm Accountancy Data Network (OJ L 325, 20.12.2022, p. 13).

- for determining the main groups of accountancy data on farm returns to be collected as well as the general rules to be followed in this respect.

3.1. Delegation of powers laid down in Article 3 of Regulation (EC) No 1217/2009 on the list of FADN divisions per Member State

The FADN divisions, as defined by Article 2 of the Council Regulation (EC) No 1217/2009, are the territories of a Member State, or any part thereof as delimited with a view to the selection of returning holdings. A list of such divisions is laid down in Annex I of that Regulation.

Article 3 of Council Regulation (EC) No 1217/2009 ensures that the list of FADN divisions may be updated following a request by a Member State and empowers the Commission to adopt delegated acts, in accordance with Article 19a of the mentioned Regulation, to amend the list in Annex I.

In 2022, France requested to merge the FADN divisions Guadeloupe and Martinique into one FADN division: Antilles françaises. In addition, following the withdrawal of the United Kingdom from the Union, FADN data are no longer collected in that country as of the 2021 accounting year.

The Commission adopted Delegated Regulation (EU) 2022/2497 ⁽⁴⁾ amending Annex I with respect to the list of FADN divisions per Member State, by merging the French divisions Guadeloupe and Martinique into one uniform FADN division, called Antilles françaises, and by removing the United Kingdom from the list of FADN divisions.
