

Considering that, in particular, some local municipalities such as Perugia are in great need of European funding to limit carbon dioxide emissions, improve air quality and combat pollution, can the Commission indicate:

1. whether the municipality of Perugia has submitted any projects under the SAVE II or Altener II programmes;
2. whether the municipality of Perugia has received funding for those projects;
3. whether that funding has been utilised?

(2003/C 268 E/186)

WRITTEN QUESTION E-0968/03
by Roberta Angelilli (UEN) to the Commission

(26 March 2003)

Subject: Utilisation of SAVE II and Altener II funds by the municipality of Pesaro

In September 2002, the monitoring committee of the Italian ministry of the economy presented its statement on the expenditure of funding made available by the European Union.

Its research showed that some local authorities were worryingly slow and inefficient in awarding projects.

The European Commission has also emphasised concern on various occasions at the under-utilisation of European funding by local authorities.

Considering that, in particular, some local municipalities such as Pesaro are in great need of European funding to limit carbon dioxide emissions, improve air quality and combat pollution, can the Commission indicate:

1. whether the municipality of Pesaro has submitted any projects under the SAVE II or Altener II programmes;
2. whether the municipality of Pesaro has received funding for those projects;
3. whether that funding has been utilised?
