Amendment 58

First part: 'Member States may take appropriate measures to avoid the unintended presence of category 2 NGT plants in products not subject to Directive 2001/18 or Regulation 1829/2003,'

Second part: 'only in the event that the category 2 NGT plants are able to be detected, identified and quantified by analytical methods. These provisions shall not apply to category 1 NGT plants and category 1 NGT products.'

The Left:
Amendment 20

- First part:* ‘To achieve the goal of ensuring the effective functioning of the internal market and the free movement of NGT plant and NGT products across the Union, the deliberate release of NGT plants and placing on the market of NGT products should be based on the harmonised requirements and procedures laid down in this Regulation, leading to the adoption of a decision uniformly applicable to all Member States.’
- Second part:* ‘Member States should not unilaterally derogate from the provisions set out in this Regulation in a way that would restrict, prohibit or hinder the free movement, placing on the market and deliberate release of NGT plants or NGT products within the territory of the Union.’

Amendment 292

- First part:* ‘Proposal for a regulation of the European Parliament and of the Council on plants obtained by certain precision breeding techniques and their food and feed,’
- Second part:* ‘and amending Regulation (EU) 2017/625 and Directive 98/44/EC (Text with EEA relevance)’

ID:
Amendment 23

- First part:* Text as a whole without the words: ‘already granted or pending patent applications’
- Second part:* those words

Amendment 164

- First part:* ‘To allow all farmers to make a decent living from their work, there is a pressing need to limit large retailers’ margins and carry out a thorough reform of the Common Agricultural Policy so as to support those wishing to move towards an alternative production model free from industrial farming interests and products that are dangerous to farmers’ and consumers’ health and the environment.’
- Second part:* ‘In this regard, an immediate end also needs to be put to free trade agreements that push farmers to the lowest social and environmental standard to keep up with unfair international competition.’ without the word ‘immediate’
- Third part:* ‘immediate’

Verts/ALE:
Amendment 5

- First part:* ‘Available knowledge on other organisms, such as microorganisms, fungi and animals, should be reviewed with a view to future legislative initiatives on them.’
- Second part:* deletion of ‘Moreover, there is no indication that current requirements in the Union GMO legislation for GMOs obtained by transgenesis need adaptation at the present time.’
