

List of designations of diplomas, certificates or other evidence of formal qualifications as general medical practitioner published in accordance with Article 41 of Council Directive 93/16/EEC

(96/C 216/03)

Pursuant to Article 41 of Council Directive 93/16/EEC of 5 April 1993 on specific training in general medical practice⁽¹⁾, Member States are obliged to inform the Commission of the measures taken to comply with the Directive. As soon as the Commission has been notified, it is required, pursuant to Article 41, to publish an appropriate notice in the *Official Journal of the European Communities*, indicating the designations adopted by each Member State for the diplomas, certificates or other evidence of formal qualifications and, where appropriate, the professional titles in question.

The list of designations reads as follows:
