

Prior notification of a concentration**(Case COMP/M.1841 — Celestica/IBM)**

(2000/C 33/05)

(Text with EEA relevance)

1. On 26 January 2000 the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EEC) No 4064/89 ⁽¹⁾, as last amended by Regulation (EC) No 1310/97 ⁽²⁾, by which the undertaking Celestica Inc., (Celestica), United States of America, ultimately controlled by Onex Corporation, Canada, acquires, within the meaning of Article 3(1)(b) of the Regulation, control of parts of International Business Machines Corporation (IBM), United States of America, by way of purchase of shares and assets.

2. The business activities of the undertakings concerned are:

— Celestica: electronics manufacturing services (EMS), such as electronic cards and servers, mainly for original equipment manufacturers (OEMs),

— IBM: information technology (IT) services and equipment, computer software and services.

3. On preliminary examination, the Commission finds that the notified concentration could fall within the scope of Regulation (EEC) No 4064/89. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation.

Observations must reach the Commission not later than 10 days following the date of this publication. Observations can be sent by fax (No (32-2) 296 43 01 or 296 72 44) or by post, under reference COMP/M.1841 — Celestica/IBM, to:

European Commission,
