

**Termination of double-checking for textiles imports from Estonia, Latvia and Lithuania**

(2001/C 13/06)

Following consultations in the context of Agreed Minute No 5 Protocol 1 of the Association Agreement <sup>(1)</sup>, the European Community and Estonia have agreed to terminate, from 1 January 2001, the application of the double-checking (licensing) system specified in Appendix A to the Protocol to imports into the Community of textiles and clothing products from Estonia.

The application of double-checking requirements for imports into the Community of textiles and clothing products from Latvia and Lithuania has also been terminated on 1 January 2001 upon expiry of the Textiles Protocols to the respective Association Agreements.
