

Pleas in law and main arguments:

Applicant for Community trade mark:	Applicant
Community trade mark sought:	Figurative mark 'MANU' — Application for registration No 1.021.690, claim in respect of several products in Classes 18, 24 and 25
Proprietor of mark or sign cited in the opposition proceedings:	Norma Lebensmittelfilialbetrieb GmbH & Co. KG
Mark or sign cited in opposition:	German word mark 'MANOU', in respect of products in Class 25 (clothing, footwear, headgear)
Decision of the Opposition Division:	Opposition dismissed
Decision of the Board of Appeal:	Appeal granted and application for registration rejected
Pleas in law:	Misapplication of Article 8(1)(b) of Regulation (EC) No 40/94 on the Community trade mark. The applicant also claims that the contested decision is flawed because it goes beyond the limits of the action brought before the Board in rejecting the application for registration of the trade mark, in respect of Classes 18 and 24 also, which unarguably were never the subject-matter of the opposition, in addition to other products in Class 25 other than items of clothing, despite the fact that only those last formed the basis of the opposition.
