

**Prior notification of a concentration**  
**(Case COMP/M.4205 — Aleris International/Corus Group)**  
**Candidate case for simplified procedure**

(2006/C 120/05)

(Text with EEA relevance)

1. On 11 May 2006, the Commission received a notification of a proposed concentration pursuant to Article 4 and following a referral pursuant to Article 4(5) of Council Regulation (EC) No 139/2004 <sup>(1)</sup> by which the undertaking Aleris International, Inc. ('Aleris', USA) acquires within the meaning of Article 3(1)(b) of the Council Regulation control of parts of the aluminium business ('The Target Business') of the undertaking Corus Group plc ('Corus', UK), by way of purchase of shares.
2. The business activities of the undertakings concerned are:
  - for Aleris: recycling and processing of aluminium into aluminium alloys, production of magnesium alloys, rolled products and zinc products;
  - for Corus: supplier of steel and aluminium products;
  - for The Target Business: rolled aluminium products (plate, sheet and coil) and extrusions.
3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of Regulation (EC) No 139/2004. However, the final decision on this point is reserved. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 <sup>(2)</sup> it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.
4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. Observations can be sent to the Commission by fax (No (32-2) 296 43 01 or 296 72 44) or by post, under reference number COMP/M.4205 — Aleris International/Corus Group, to the following address:
