(Text with EEA relevance)
(2013/C 247/05)

1. On 19 August 2013, the Commission received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾ by which Bregal Fund III ('Bregal', Jersey), ultimately controlled by Avenia AG ('Avenia', Switzerland) acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of ISG Holdings 1 Limited ('ISG', UK) by way of purchase of shares.

2. The business activities of the undertakings concerned are:

- for Avenia: holding company of a group of companies operating in different sectors (retail, real estate, educational services, renewable energies and insurance) and of private equity funds,
- for Bregal: private equity fund,
- for ISG: the manufacture of heating boilers and radiators.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the EC Merger Regulation. However, the final decision on this point is reserved. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the EC Merger Regulation ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication.
