Call for proposals — European Defence Agency (EDA)

(2016/C 108/04)

The European Defence Agency (EDA) is launching a call for proposals under the Union-funded pilot project on defence research. The management of the pilot project and its implementation through call for proposals has been entrusted to the EDA through a Delegation Agreement concluded with the European Commission Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs.

The call has the objective of requesting proposals to address the following topics:

- (1) PP-15-INR-01: Unmanned heterogeneous swarm of sensor platforms;
- (2) PP-15-STAN-CERT-01: Standardisation of remotely piloted aircraft system (RPAS) detect and avoid (DAA);
- (3) Inside-building awareness and navigation for urban warfare (Subject to availability of funds).

All information relating to the present call for proposal can be found on the EDA Procurement Gateway website: <http://www.eda.europa.eu/procurement-gateway>
