

**New national side of euro coins intended for circulation**

(2018/C 119/04)

*National side of the new commemorative 2-euro coin intended for circulation and issued by Finland*

Euro coins intended for circulation have legal tender status throughout the euro area. For the purpose of informing the public and all parties who handle the coins, the Commission publishes a description of the designs of all new coins <sup>(1)</sup>. In accordance with the Council conclusions of 10 February 2009 <sup>(2)</sup>, euro-area Member States and countries that have concluded a monetary agreement with the European Union providing for the issuance of euro coins are authorised to issue commemorative euro coins intended for circulation, provided that certain conditions are met, one of these being that only the 2-euro denomination is used. These coins have the same technical characteristics as other 2-euro coins, but their national side features a commemorative design that is highly symbolic in national or European terms.

**Issuing country:** Finland

**Subject of commemoration:** Finnish national landscape Koli

**Description of the design:** The design shows a drawing from the top of the Finnish national landscape Koli. The year of issuance '2018' is placed at the center bottom. The indication of the issuing country 'FI' is at the center left and the mint mark at the center right.

The coin's outer ring depicts the 12 stars of the European flag.

**Number of coins to be issued:** 1 000 000

**Date of issue:** April/May 2018
