Call for proposals and related activities under the 2019-2020 work programme of the Research and Training Programme of the European Atomic Energy Community (2019-2020) complementing the Horizon 2020 Framework Programme for Research and Innovation*(2019/C 5/03)*

Notice is hereby given of the launch of a call for proposals and related activities under 2019-2020 work programme of the Research and Training Programme of the European Atomic Energy Community (2019-2020) complementing the Horizon 2020 Framework Programme for Research and Innovation. This work programme was adopted by the Commission through Decision C(2018) 8412 of 14 December 2018.

The call and the work programme are subject to the availability of the appropriations provided for in the draft budget for the corresponding years by the budgetary authority or, if the budget for a specific year is not adopted, as provided for in the system of provisional twelfths.

This work programme, including deadlines and budgets for the activities, are available through the Funding & Tenders Portal (<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/programmes/h2020>) along with information on the modalities of the calls and related activities, and guidance for applicants on how to submit proposals. All this information will be updated as necessary on the same Portal.
