

State aid — Decision to close an existing aid case as a result of acceptance of appropriate measures by an EFTA State

(2010/C 249/06)

Date of adoption of the decision:	3 February 2010
Case number:	48095
EFTA State:	Norway
Title:	Financing of the Norwegian Broadcasting Corporation (Norsk Rikskringkasting — NRK)
Legal basis:	Act No 127 of 4 December 1992 on Broadcasting (Lov om kringkasting), last amended by Act No 92 of 19 June 2009, entry into force on 1 July 2009
Objective:	Compensation for the services of general economic interest
Form of aid:	Para-fiscal levy, tax exemption
Economic sectors:	Media
Other information:	Based on measures undertaken and further commitments given by the Norwegian authorities to amend the current financing regime of the Norwegian Broadcasting Corporation, the Authority's concerns regarding the incompatibility of NRK's financing were dispelled and the investigation closed
