PARLIAMENT AND OF THE COUNCIL****of 20 December 2006****establishing the statistical classification of economic activities NACE
Revision 2 and amending Council Regulation (EEC) No 3037/90 as
well as certain EC Regulations on specific statistical domains****(Text with EEA relevance)**

SECTION I

GENERAL PROVISIONS*Article 1***Subject matter and scope**

1. This Regulation establishes a common statistical classification of economic activities in the European Community, hereinafter referred to as 'NACE Rev. 2'. This classification ensures that Community classifications are relevant to the economic reality and enhances the comparability of national, Community and international classifications and, hence, of national, Community and international statistics.

2. This Regulation shall apply only to the use of the classification for statistical purposes.

*Article 2***NACE Rev. 2**

1. NACE Rev. 2 shall include:
 - (a) a first level consisting of headings identified by an alphabetical code (sections);
 - (b) a second level consisting of headings identified by a two-digit numerical code (divisions);
 - (c) a third level consisting of headings identified by a three-digit numerical code (groups); and
 - (d) a fourth level consisting of headings identified by a four-digit numerical code (classes).
2. NACE Rev. 2 is set out in Annex I.

*Article 3***Use of NACE Rev. 2**

The Commission shall use NACE Rev. 2 for all statistics classified according to economic activities.

*Article 4***National classifications of economic activities**

1. Member States' statistics presented according to economic activities shall be produced using NACE Rev. 2 or a national classification derived therefrom.

▼B

2. The national classification may introduce additional headings and levels and a different coding may be used. Each of the levels, except for the highest, shall consist of either the same headings as the corresponding NACE Rev. 2 level or headings constituting an exact breakdown thereof.

3. Member States shall forward to the Commission, for its approval prior to their publication, the drafts defining or modifying their national classifications. The Commission shall check the conformity of these drafts with paragraph 2 within two months. The Commission shall transmit the approved national classification to the other Member States for information. The Member States' national classifications shall include a table of correspondence between the national classifications and NACE Rev. 2.

4. In the event of incompatibility between certain NACE Rev. 2 headings and the national economic structure, the Commission may authorise a Member State to use an aggregation of NACE Rev. 2 headings in a specific sector.

To obtain such an authorisation, the Member State concerned must provide the Commission with all the necessary information to consider its request. The Commission shall decide within three months.

However, notwithstanding the provisions of paragraph 2, such an authorisation shall not entitle the Member State concerned to subdivide the aggregated headings in a way different from NACE Rev. 2.

5. The Commission shall, together with the Member State concerned, periodically review the authorisations granted under paragraph 4 to verify whether they remain justified.

*Article 5***Commission activities**

The Commission, in cooperation with the Member States, shall ensure the dissemination, maintenance and promotion of NACE Rev. 2, in particular by:

- (a) drafting, updating and publishing explanatory notes for NACE Rev. 2;
- (b) drawing up and publishing guidelines for classifying statistical units in accordance with NACE Rev. 2;
- (c) publishing correspondence tables between NACE Rev. 1.1 and NACE Rev. 2 and between NACE Rev. 2 and NACE Rev. 1.1; and
- (d) working to improve consistency with other social and economic classifications.

*Article 6***▼M2****Delegated and implementing acts****▼B**

1. The following measures for implementing NACE Rev. 2 shall be adopted in accordance with the regulatory procedure referred to in Article 7(2):

- (a) decisions required in case of problems arising from implementation of NACE Rev. 2, including the assignment of economic activities to specific classes; and

▼ B

- (b) technical measures ensuring a fully coordinated transition from NACE Rev. 1.1 to NACE Rev. 2, especially with respect to issues related to breaks in time series, including double reporting and back-casting of time series.

▼ M2

2. The Commission is empowered to adopt delegated acts in accordance with Article 6a amending Annex I to take account of technological or economic developments or to align it with other economic and social classifications.

▼ B

3. Consideration shall be given to the principle that the benefits of updating NACE Rev. 2 must outweigh its costs, and to the principle that additional costs and burdens remain within a reasonable limit.

▼ M2*Article 6a***Exercise of the delegation**

1. The power to adopt delegated acts is conferred on the Commission subject to the conditions laid down in this Article.
2. The power to adopt delegated acts referred to in Article 6(2) shall be conferred on the Commission for a period of five years from 26 July 2019. The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.
3. The delegation of power referred to in Article 6(2) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.
4. Before adopting a delegated act, the Commission shall consult experts designated by each Member State in accordance with the principles laid down in the Interinstitutional Agreement of 13 April 2016 on Better Law-Making ⁽¹⁾.
5. As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.
6. A delegated act adopted pursuant to Article 6(2) shall enter into force only if no objection has been expressed either by the European Parliament or by the Council within a period of three months of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by three months at the initiative of the European Parliament or of the Council.

⁽¹⁾ OJ L 123, 12.5.2016, p. 1.

▼B*Article 7***Committee**

1. The Commission shall be assisted by the Statistical Programme Committee, established by Decision 89/382/EEC, Euratom.
2. Where reference is made to this paragraph, the procedure laid down in Articles 5 and 7 of Decision 1999/468/EC shall apply, having regard to the provisions of Article 8 thereof.
