JOINT DECLARATION ON COOPERATION ON TRAVEL DOCUMENTS

The Parties agree that the Joint Committee established pursuant to Article 12 of the Agreement, when monitoring the implementation of the Agreement, should evaluate the impact of the level of security of the respective travel documents on the functioning of the Agreement. To that end, the Parties agree to regularly inform each other about the measures taken for avoiding the proliferation of travel documents, developing the technical aspects of travel document security as well as regarding the personalisation process of the issuance of travel documents.

EUROPEAN UNION DECLARATION ON DOCUMENTS TO BE SUBMITTED WHEN APPLYING FOR SHORT-STAY VISAS

The European Union will establish a harmonised list of supporting documents, in accordance with Article 48 paragraph 1 lit. a of the Visa Code, in order to ensure that applicants from the Republic of Moldova are required to submit, in principle, the same supporting documents. The European Union will inform the Republic of Moldova in the Committee, when such a list has been established. The European Union will also inform the citizens of the Republic of Moldova in accordance with Article 47 paragraph 1 lit. a of the Visa Code.

EUROPEAN UNION DECLARATION ON COOPERATION WITH EXTERNAL SERVICE PROVIDERS

The European Union commits itself to outsource the reception of visa applications only as a last resort, when there are particular circumstances or reasons relating to the local situation, such as where the high number of applicants does not allow the collection of applications and of data to be organised in a timely manner and in decent conditions; or it is not possible to ensure a good territorial coverage of the third country concerned in any other way; and where other forms of cooperation prove not to be appropriate for the Member State concerned.

EUROPEAN UNION DECLARATION ON FACILITATIONS FOR FAMILY MEMBERS

The European Union takes note of the suggestion of the Republic of Moldova to give a wider definition to the notion of family members that should benefit from visa facilitation as well as of the importance that the Republic of Moldova attaches to the simplification of movement of this category of persons.

In order to ease the mobility of an extended number of persons which have family links (in particular sisters and brothers and their children) with citizens of the Republic of Moldova legally residing in the territories of Member States or with citizens of the European Union residing in the territory of the Member State of which they are nationals, the European Union invites the Member States' consular offices to make full use of the existing possibilities in the Visa Code for facilitating the issuance of visas to this category of persons, including in particular, the simplification of documentary evidence requested for the applicants, exemptions from handling fees and, where appropriate, the issuing of multiple-entry visas.

JOINT DECLARATION CONCERNING SWITZERLAND AND LIECHTENSTEIN

The Parties take note of the close relationship between the Union and Switzerland and Liechtenstein, particularly by virtue of the Agreement of 26 October 2004 concerning the association of these countries with the implementation, application and development of the Schengen *acquis*.

In such circumstances, it is desirable that the authorities of Switzerland and Liechtenstein and the Republic of Moldova conclude, without delay, bilateral agreements on the facilitation of the issuance of short-stay visas in similar terms as the amended Agreement.
