No L 118/11

REGULATION (EEC) No 1017/70 OF THE COMMISSION

of 29 May 1970

applying additional classes to certain fruit

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 158/66/EEC¹ of 25 October 1966 on applying the common quality standards to fruit and vegetables marketed within the Community, as last amended by Council Regulation (EEC) No 2516/69² of 9 December 1969, and in particular Article 2 (2) thereof;

Whereas Council Regulation No 211/66/EEC³ of 14 December 1966 added an additional class to the common quality standards for apples and pears, peaches, citrus fruit and table grapes; whereas Council Regulation (EEC) No 1194/69⁴ of 26 June 1969 added an additional class to the common quality standards for cherries and strawberries;

Whereas, pursuant to Article 2 (2) of Regulation No 158/66/EEC, the additional classes may be applied only if the products concerned are needed to meet

consumer demand; whereas this is the case at present for lemons, cherries and strawberries; whereas, in view of the considerable fluctuations in production from one marketing year to another, the period of application of the additional classes should be limited;

Whereas the measures provided in this Regulation are in accordance with the Opinion of the Management Committee for Fruit and Vegetables;

HAS ADOPTED THIS REGULATION:

Article 1

The additional classes defined in the Annexes to Regulation Nos 211/66/EEC and (EEC) 1194/69 shall apply to the products listed in the Annex to this Regulation and, for each of these products until the date mentioned therein.

Article 2

This Regulation shall enter into force on 1 June 1970.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 May 1970.

The President
