

**REGULATION (EEC) No 1018/70 OF THE COMMISSION**  
**of 29 May 1970**  
**applying additional classes to certain vegetables**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 158/66/EEC<sup>1</sup> of 25 October 1966 on applying the common quality standards to fruit and vegetables marketed within the Community, as last amended by Council Regulation (EEC) No 2516/69<sup>2</sup> of 9 December 1969, and in particular Article 2 (2) thereof;

Whereas Council Regulation No 211/66/EEC<sup>3</sup> of 14 December 1966 added an additional class to the common quality standards for cauliflowers and tomatoes; whereas Council Regulation (EEC) No 1194/69<sup>4</sup> of 26 June 1969 added an additional class to the common quality standards for lettuce, curled-leaved endives and broad-leaved (Batavian) endives, onions, Witloof chicory, asparagus and cucumbers;

Whereas, pursuant to Article 2 (2) of Regulation No 158/66/EEC, the additional classes may be applied only if the products concerned are needed to meet

consumer demand; whereas this is the case at present for cauliflowers, tomatoes, lettuces, curled-leaved endives, broad-leaved (Batavian) endives, onions, Witloof chicory, asparagus and cucumbers; whereas it is not possible to fix the period of application of these classes; whereas those classes should cease to apply when the products concerned are no longer needed to meet consumer demand;

Whereas the Management Committee for Fruit and Vegetables has not issued an Opinion within the time limit set by its Chairman;

HAS ADOPTED THIS REGULATION:

*Article 1*

The additional classes defined in the Annexes to Regulations No 211/66/EEC and (EEC) No 1194/69 shall apply to the products listed in the Annex to this Regulation.

*Article 2*

This Regulation shall enter into force on 1 June 1970.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 May 1970.
