

COMMISSION REGULATION (EEC) No 1703/93
of 30 June 1993

**fixing the rates of the refunds applicable to certain cereal and rice-products
exported in the form of goods not covered by Annex II to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals ⁽¹⁾ and in particular the first sentence of the third subparagraph of Article 13 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽²⁾, as last amended by Regulation (EEC) No 1544/93 ⁽³⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 13 (1) of Regulation (EEC) No 1766/92 and Article 17 (1) of Regulation (EEC) No 1418/76 provide that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁴⁾, as last amended by Regulation (EEC) No 3381/90 ⁽⁵⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas in the absence of evidence that no production refund was granted pursuant to Regulation (EEC) No 1722/93 of 30 June 1993 laying down detailed rules for the arrangements concerning production refunds in the cereals and rice sector ⁽⁶⁾, the export refund should be reduced by the amount of the production refund applicable on the day of acceptance of the export declaration; whereas this system is the only one which avoids the risk of fraud;

Whereas Council Regulation (EEC) No 565/80 of 4 March 1980 on the advance payment of export refunds in respect of agricultural products ⁽⁷⁾, as amended by Regulation (EEC) No 2026/83 ⁽⁸⁾, and Commission Regulation (EEC) No 3665/87 of 27 November 1987 laying down common detailed rules for the application of the system of export refunds on agricultural products ⁽⁹⁾, as last amended by Regulation (EEC) No 1525/92 ⁽¹⁰⁾, lay down rules on the advance payment of export refunds that must be adhered to when these are adjusted;

Whereas, now that a settlement has been reached between the European Economic Community and the United States of America on Community exports of pasta products to the United States and has been approved by Council Decision 87/482/EEC ⁽¹¹⁾, it is necessary to differentiate the refund on goods falling within CN codes

1902 11 00 and 1902 19 according to their destination ;

Whereas, for the application of Article 4 (2) (b) of Regulation (EEC) No 3035/80, it is necessary to differentiate the refunds ;

Whereas Council Regulation (EEC) No 990/93 (1) prohibits trade between the European Economic Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds ;

Whereas in particular the export refund for unprocessed starches falling within CN code 1108 is granted only if the dry matter content is at least 77 % in the case of potato starch and at least 84 % in the case of cereal starches ;

Whereas with regard to potatoes, only potato starches are subject to common organization of the market, consequently steps should be taken to specify the terms that these potato starches should meet in order to qualify for refunds ;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

1. Without prejudice to paragraphs 2 and 3 the rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EEC) No 3035/80 and listed either in Article 1 of Regulation (EEC) No 1766/92 or in Article 1 (1) of Regulation (EEC) No 1418/76, exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 respectively, are hereby fixed as shown in the Annex to this Regulation.

2. For the products listed in the Annex to Regulation (EEC) No 1722/93 the refunds given in the Annex to this Regulation shall be applied on presentation, at the acceptance of the export declaration and the request for obtaining the export refund, of proof that the basic products used in the manufacture of the products to be exported have not benefited from the production refund provided for in that Regulation, and that such refund will not be applied for.

The proof referred to in the first subparagraph is provided by the presentation by the exporter of a declaration from the processor of the basic product in question attesting that the latter product has not benefited from a production refund as provided for in Regulation (EEC) No 1722/93, and that no application for such refund will be made.

3. When the proof referred to in paragraph 2 is not provided, the export refund :

(a) applicable on the date of acceptance of the export declaration for the goods, or on the day specified in Article 26 (2) of Regulation (EEC) No 3665/87, where the rate is not fixed in advance ;

(b) of which the rate is fixed in advance,

will be reduced by the amount of the production refund applicable pursuant to Regulation (EEC) No 1722/93 to the basic product in question on the day of acceptance of the export declaration for the goods, or on the day specified in Article 26 (2) of Regulation (EEC) No 3665/87, if the goods have been placed under the export refund advance payment arrangements.

Article 2

1. The refund for starches and potato starch falling within CN code 1108 or products falling within Annex A to Regulation (EEC) No 1766/92 resulting from the processing of these starches and potato starch is granted only on production of a declaration from the suppliers of those products attesting that they have been directly produced from cereals, potatoes or rice excluding all use of subproducts obtained in the production of other agricultural products or goods.

The above declaration can be considered valid, until revocation, for all supplies from the same producer ; it shall be verified in accordance with the provisions of Article 8 (1) and the first indent of paragraph 2 of Regulation (EEC) No 3035/80.

2. Where the dry-extract content of potato starch assimilated to maize starch pursuant to Article 1 (2) (a) of Regulation (EEC) No 3035/80 is 80 % or higher, the rate of the export refund shall be as laid down in the Annex ; where the dry-extract content is less than 80 % the rate of the refund shall be the amount laid down in the Annex multiplied by 1/80th of the actual dry-extract percentage.

For all other starches with a dry-extract content of 87 % or more, the rate of the export refund shall be as laid down in the Annex ; where the dry-extract content is less than 87 % the amount of the refund shall be the rate laid down in the Annex multiplied by 1/87th of the actual dry-extract percentage.

(1) OJ No L 102, 28. 4. 1993, p. 14.

3. For the purposes of paragraph 1 above, the dryextract content of starches shall be determined using the method applied to flour in Annex II to Commission Regulation (EEC) No 1908/84⁽¹⁾, as last amended by Regulation (EEC) No 2507/87⁽²⁾.

4. At the time of application for the export refund for the goods the applicant must declare the dry-extract

content of the starches concerned, unless this information has been recorded by the competent authorities referred to in Article 3 (2) of Regulation (EEC) No 3035/80, in accordance with the provisions of that paragraph.

Article 3

This Regulation shall enter into force on 1 July 1993.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
