

COMMISSION DECISION No 265/94/ECSC

of 1 February 1994

on certain procedures for applying the Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Republic of Poland, of the other part

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 74 and the first subparagraph of Article 95 thereof,

Whereas a Europe Agreement establishing an association between the European Communities and their Member States, of the other part, and the Republic of Poland, of the one part, hereinafter referred to as 'the Agreement', was signed in Brussels on 16 December 1991;

Whereas pending the entry into force of the Europe Agreement, its provisions on trade and trade-related matters have been given effect since 1 March 1992 by an Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the Republic of Poland, of the other part, signed in Brussels on 16 December 1991⁽¹⁾;

Whereas pursuant to the conclusions of the Copenhagen European Council on 21 and 22 June 1993 regarding new trade concessions for the central and eastern European countries, an Additional Protocol to the Interim Agreement was signed on 5 January 1994 by the European Economic Community and the European Coal and Steel Community, of the one part, and Poland, of the other part⁽²⁾;

Whereas Commission Decision No 522/92/ECSC⁽³⁾ lays down certain procedures for applying the Interim Agreement on trade and trade-related measures between the European Economic Community and the European Coal and Steel Community, of the one part, and the Republic of Poland, of the other part;

Whereas it is necessary to lay down the procedures for applying various provisions of the agreement and in particular those contained in Protocol 2 on ECSC products by adopting provisions similar to those provided for in Decision No 522/92/ECSC;

Whereas such procedures have been laid down for the European Economic Community by Council Regulation (EC) No 3492/93 of 13 December 1993 on certain procedures for applying the Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Commu-

nity, of the one part, and the Republic of Poland, of the other part⁽⁴⁾;

Whereas, as regards measures of commercial protection it is necessary to lay down specific provisions concerning the general rules set out in Commission Decision No 2424/88/ECSC of 29 July 1988 on protection against dumped or subsidized imports from countries not members of the European Coal and Steel Community⁽⁵⁾ where the Agreement makes this necessary;

Whereas account should be taken of the undertakings set out in the Agreement when examining whether a safeguard measure should be introduced;

Whereas it is desirable to ensure that the rules for the application of the Agreement should be similar for both the European Economic Community and the European Coal and Steel Community;

Whereas certain measures provided for in the Agreement go beyond the powers of action provided for in the Treaty and it is therefore necessary in this case to refer to the provisions of Article 95, after consultation with the consultative committee and with the unanimous assent of the Council,

HAS ADOPTED THIS DECISION:

Article 1
