## COMMISSION DECISION

of 8 September 1995

**on the Community's financial contribution to a programme for the control of organisms harmful to plants and plant products in the French overseas departments for 1995**

**(Only the French text is authentic)**

(95/382/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3763/91 of 16 December 1991 introducing specific measures in respect of certain agricultural products for the benefit of the French overseas departments<sup>(1)</sup>, as amended by Commission Regulation (EEC) No 3714/92<sup>(2)</sup>, and in particular the first subparagraph of Article 11 (3) thereof,

Whereas Commission Decision 93/522/EEC<sup>(3)</sup> defines what measures are eligible for Community financing as regards programmes for the control of organisms harmful to plants and plant products in the French overseas departments, the Azores and Madeira;

Whereas the specific agricultural production conditions in the French overseas departments call for particular attention; whereas action must be taken or reinforced as regards crop production, and in particular in its phytosanitary aspects;

Whereas the action to be taken or reinforced in phytosanitary matters is exceptionally costly;

Whereas the action programme has been presented to the Commission by the relevant French authorities; whereas

this programme specifies the objectives to be achieved, the measures to be carried out, their duration and their cost so that the Community may, in appropriate circumstances, contribute to their financing;

Whereas the Community's financial contribution may cover up to 60 % of eligible expenditure, protective measures for bananas being excluded;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plant Health,

HAS ADOPTED THIS DECISION:

*Article 1*

The Community's financial contribution to the official programme for the control of organisms harmful to plants and plant products in the French overseas departments presented by France for 1995 is hereby approved.

*Article 2*

The official programme is made up of four sub-programmes:

1. a sub-programme drawn up for the department of Guadeloupe in five parts:

— reinforcement of the work of the FDGDCEC (Departmental Federation of Crop Protection Groups),

<sup>(1)</sup> OJ No L 356, 24. 12. 1991, p. 1.

<sup>(2)</sup> OJ No L 378, 23. 12. 1992, p. 23.

<sup>(3)</sup> OJ No L 251, 8. 10. 1993, p. 35.

- control of yam anthracnose,
  - a fruit fly survey,
  - reinforcement of an agricultural information network,
  - pest risk assessment and establishment of flower quarantine facilities;
2. a sub-programme drawn up for the department of Guyana in four parts :
- reinforcement of the work of the FDGDCEC (Department Federation of Crop Protection Groups),
  - reinforcement of analysis and diagnosis structures,
  - put in place a strategy for the integrated control of fruit flies,
  - a study on harmful organisms on rice.
3. a sub-programme for the department of Reunion in three parts :
- the establishment of a phytosanitary analysis unit,
  - reinforcement of the resources of the FDGDCEC (Departmental Federation of Crop Protection Groups),
  - a survey on fruit fly control;
4. a sub-programme for the department of Martinique in three parts :
- development of detection methods for harmful organisms,
  - development of integrated control in market gardens,
  - reinforcement of the resources of the FDGDCEC (Department Federation of Crop Protection Groups).

### Article 3

The Community contribution to financing the programme is limited for 1995 to ECU 950 000 for expenditure related to eligible measures as defined by Decision 93/522/EEC out of a total expenditure of ECU 1 674 855 (VAT excluded).

The schedule of programme costs and their financing is set out as Annex I to this Decision. Should the total eligible expenditure for 1995, as presented by France, be less than the anticipated amount of ECU 1 674 855, the

Community's contribution shall be reduced proportionately.

The Community reimbursement shall be effected up to the amount indicated in the first paragraph, at the rate of the ecu as at 1 June 1995, namely ECU 1 = FF 6,56833.

### Article 4

An advance of ECU 190 000 shall be paid to France.

### Article 5

The Community assistance shall relate to the eligible measures associated with the operations covered by the programme set up in France by provisions for which the necessary financial resources have been committed between 1 October and 31 December 1995. The final date for payments in connection with the operations shall be 30 September 1996, and any non-compliance without justification of delay shall entail loss of entitlement to Community financing.

### Article 6

Provisions for the financial implementation of the programme, provisions on compliance with Community policies and the information to be supplied to the Commission by France are set out in Annex II.

### Article 7

Any public contracts in connection with investments covered by the programme referred to in this Decision shall be governed by Community law and in particular by the Directives coordinating procedures for awarding public works and supply contracts, and by Articles 30, 52 and 59 of the Treaty.

### Article 8

This Decision is addressed to the French Republic.

## ANNEX II

## I. PROVISIONS ON THE IMPLEMENTATION OF THE PROGRAMME

## A. Provisions on financial implementation

1. The Commission's intention is to establish real cooperation with the authorities responsible for the implementation of the programme. In line with the programme these authorities are those indicated below.

*Commitments and payments*

2. France guarantees that, for all action co-financed by the Community all public and private bodies involved in its management and implementation shall keep accounts in standard form of all transactions in order to facilitate monitoring of expenditure by the Community and the national authorities responsible for surveillance.
3. The initial budgetary commitment shall be based on an indicative financial plan; this commitment shall be made for one year.
4. The commitment will be made when the decision approving assistance is adopted by the Commission according to Article 16a of Council Directive 77/93/EEC<sup>(1)</sup>.
5. Following commitment a first advance of ECU 190 000 shall be paid.
6. The balance of the amount committed is paid as two equal payments, each of ECU 380 000. The first part of the balance is paid upon presentation to the Commission of the first interim report of activity and after it has been approved by the Commission. The second and final part of the balance is paid upon presentation to the Commission of the detailed total expenditure made, and after approval by the Commission of the final report of activity.

#### *Financial control*

10. Inspections may be carried out by the Commission or the Court of Auditors should it so request. France and the Commission shall immediately exchange all relevant information in regard to the outcome of an inspection.
11. For three years following the last payment relating to the assistance the authority responsible for implementation shall keep available to the Commission all documentary evidence of expenditure incurred.
12. When it submits applications for payment France shall make available to the Commission all official reports relating to supervision of the measures in question.

#### *Reduction, suspension and withdrawal of aid*

13. France shall declare that Community funds are used for the intended purposes. If implementation of a measure appears to require only part of the financial assistance allotted the Commission shall immediately recover the amount due. In cases of dispute the Commission shall examine the case, asking France or the other authorities designated by France for implementation of the measure to submit their comments within two months.
14. The Commission may reduce or suspend aid for a measure if the examination confirms the existence of an irregularity, in particular of a substantial modification affecting the nature or conditions of implementation of the measure for which approval by the Commission has not been sought.

#### *Recovery of undue payments*

15. All sums unduly paid must be reimbursed to the Community by the designated authority indicated in point 8. Interest may be levied on sums not reimbursed. If for any reason the designated authority indicated in point 8 does not reimburse the Community, France shall pay the amount to the Commission.

#### *Prevention and detection of irregularities*

16. The partners shall observe a code of conduct drawn up by France in order to ensure that any irregularity in the provision of assistance programme is detected. France shall ensure that:
  - suitable action is taken in this area,
  - any amount unduly paid as a result of an irregularity is recovered,
  - action is taken to prevent irregularities.

### **B. Monitoring and assessment**

#### *I. Monitoring committee*

##### **1. Establishment**

Independent of the financing of this action, a monitoring committee for the programme shall be set up, composed of representatives of France and the Commission. It shall review implementation of the programme and, where appropriate, propose any adjustments required.

2. The committee shall establish its own internal procedures within one month of the notification of this Decision to France.

### 3. Competence of monitoring committee

The committee :

- shall have as its general responsibility the satisfactory progress of the programme towards attainment of the objectives set. Its competence shall embrace the programme measures within the limits of the Community aid granted. It shall keep watch with respect to the regulatory provisions, including those on eligibility of operations and projects,
- shall, on the basis of information on the selection of projects already approved and implemented, reach an opinion on application of the selection criteria set out in the programme,
- shall propose any action required to accelerate implementation of the programme in the light of the information furnished periodically by the interim monitoring and assessment indicators,
- may, in agreement with the Commission representative(s), adjust the financing plans within a limit of 15 % of the Community contribution to a sub-programme or measure for the entire period, and 20 % for any year, provided that the total amount scheduled in the programme is not exceeded. Care must be taken to see that the main objectives of the programme are not thereby compromised,
- shall give its opinion on the adjustments proposed to the Commission,
- shall issue an opinion on technical assistance projects scheduled in the programme,
- shall give its opinion on the final draft report,
- shall report regularly to the Standing Committee on Plant Health on the progress of the programme and expenditure incurred, at least twice during the relevant period.

## II. *Monitoring and assessment of the programme during the implementation period (continuous monitoring and assessment)*

1. The national agency responsible for implementation shall also be responsible for continuous monitoring and assessment of the programme.
2. By continuous monitoring is meant an information system on the state of progress of the programme. Continuous monitoring will cover the measures contained in the programme. It involves reference to the financial and physical indicators structured so as to permit assessment of the correspondence between expenditure on each measure and predefined physical indicators showing the degree of realization.
3. Continuous assessment of the programme will involve analysis of the quantitative results of implementation on the basis of operational, legal and procedural considerations. The purpose is to guarantee correspondence between measures and programme objectives.

### *Implementation report and scrutiny of the programme*

4. France shall notify to the Commission, within one month of adoption of the programme, the name of the authority responsible for compilation and presentation of the final implementation report.

The final report shall contain a concise evaluation of the entire programme (degree of achievement of physical and qualitative objectives and of progress accomplished) and an assessment of the immediate phytosanitary and economic impact.

The final report on the present programme will be presented by the competent authority to the Commission and to the Standing Committee on Plant Health on 31 December 1996 at the latest.

5. The Commission may jointly with France call in an independent assessor who shall, on the basis of the continuous monitoring, carry out the continuous assessment defined at 3. He may submit proposals for adjustment of the sub-programmes and/or measures, modification of the selection criteria for projects, etc., in the light of difficulties encountered in the course of implementation. On the basis of monitoring of management he shall issue an opinion on the administrative measures to be taken. To guarantee the assessor's impartiality the Commission will not pay the entire cost of employing him.

### C. Information and publicity

In the framework of this action, the agency appointed as responsible for the programme shall ensure that it is adequately publicized.

It shall in particular take action to:

- make potential recipients and professional organizations aware of the possibilities offered under the programme measures,
- make the general public aware of the Community's role in the programme.

France and the agency responsible for implementation shall consult the Commission on initiatives envisaged in this area, possibly through the monitoring committee. They shall regularly notify the Commission of information and publicity measures adopted, either by a final report or through the monitoring committee.

The national legal provisions on confidentiality of information shall be complied with.

## II. COMPLIANCE WITH COMMUNITY POLICIES

Community policies applying in this field must be complied with.

The programme shall be implemented in accordance with the provisions on coordination of and compliance with Community policies. The following information must be supplied by France.

### 1. Award of public contracts

The 'public contracts' <sup>(1)</sup> questionnaire must be completed for:

- public contracts above the ceilings set by the 'supplies' and 'works' directives that are awarded by contract-awarding authorities as defined in these directives and are not covered by the exemptions specified therein,
- public contracts below these ceilings where they constitute components of a single piece of work or of uniform supplies of a value above the ceiling. By 'a single piece of work' is meant a product of building or civil engineering works intended in itself to fulfil an economic or technical function.

The thresholds will be those in force on the date of notification of this Decision.

### 2. Protection of the environment

#### (a) General information

- description of the main environmental features and problems of the region concerned, giving a description of the important conservation areas (sensitive zones),
- a comprehensive description of the major beneficial and harmful effects that the programme, given the investments planned, is likely to have on the environment,
- a description of the action planned to prevent, reduce or offset any serious harmful effects on the environment,
- a report on consultations with the responsible environmental authorities (opinion of the Ministry for the Environment or its equivalent) and, if there were any such consultations, with the public concerned.

#### (b) Description of planned activities

For programme measures liable to have a significantly harmful effect on the environment:

- the procedures which will be applied for assessing individual projects during implementation of the programme,
- the mechanisms planned for monitoring environmental impact during implementation, assessing results and eliminating, reducing or offsetting harmful effects.
