Whereas the Falkland Islands should be added to the list of third countries from which Member States authorise imports of live animals and meat of bovine and ovine species;

Whereas Decision 79/542/EEC should be amended accordingly;

Whereas the specific animal health conditions and veterinary certification for importation of bovine animals, swine, equidae, sheep and goats, fresh meat and meat products will be laid down in other Decisions according to the animal health situation of the third country concerned;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,
