## COUNCIL DECISION

of 17 July 2000

**on the acceptance, by the European Community, of the amendment to the Agreement establishing the General Fisheries Commission for the Mediterranean with a view to establishing an autonomous budget for that organisation**

(2000/487/EC)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 37 thereof, in conjunction with Article 300(2), first sentence, and (3), first subparagraph,

Having regard to the proposal from the Commission <sup>(1)</sup>,

Having regard to the opinion of the European Parliament <sup>(2)</sup>,

Whereas:

- (1) The European Community is a member of the General Fisheries Commission for the Mediterranean (GFCM) <sup>(3)</sup>.
- (2) The management of fish stocks in the Mediterranean requires that action be taken at multilateral level to regulate fishing activities on the high seas. The development of aquaculture can benefit from multilateral cooperation. The GFCM is the appropriate framework for these actions.
- (3) GFCM has recently adopted amendments designed to reinforce its activities by creating a Scientific Advisory Committee, to meet once a year. The new activities of this organisation require the necessary financial means.
- (4) GFCM depends entirely on the budget of the Food and Agriculture Organisation (FAO). The limitations placed on that budget mean that the activities of GFCM which are necessary to accomplish its new reinforced role cannot be funded. GFCM must therefore have its own autonomous budget.
- (5) GFCM adopted, at its meeting from 13 to 16 October 1997, the amendments to the text of the agreement establishing an autonomous budget. The said budget

represents a new obligation on GFCM contracting parties within the meaning of Article X.2 of the Agreement creating the GFCM.

- (6) These new obligations can only enter into force after acceptance by two thirds of the members of the GFCM Commission and with respect to each member, only on acceptance by that member.
- (7) The Community should therefore adopt an instrument of acceptance of the autonomous budget of GFCM,

HAS DECIDED AS FOLLOWS:

*Sole Article*

1. The Community shall accept the establishment of an autonomous budget for the General Fisheries Commission for the Mediterranean, in accordance with the instrument set out in Annex I.
2. The text of the amended Agreement and the amended Rules of Procedure of the General Fisheries Commission for the Mediterranean, including the provisions on the autonomous budget, are set out in Annex II.

Done at Brussels, 17 July 2000.

## ANNEX II

## THE CONTRACTING PARTIES,

Taking account of the relevant provisions of the United Nations Convention on the Law of the Sea which entered into force on 16 November 1994 (hereafter referred to as the United Nations Convention) and which requires all members of the international community to cooperate in the conservation and management of the living marine resources,

Noting also the objectives and purposes stated in Chapter 17 of Agenda 21 adopted by the United Nations Conference on Environment and Development, 1992 and the Code of Conduct for Responsible Fisheries adopted by the FAO Conference in 1995,

Noting also that other international instruments have been negotiated concerning the conservation and management of certain fish stocks,

Having a mutual interest in the development and proper utilisation of the living marine resources in the Mediterranean and the Black Sea and connecting waters (hereafter referred to as the 'Region') and desiring to further the attainment of their objectives through international cooperation which would be furthered by the establishment of a General Fisheries Commission for the Mediterranean,

Recognising the importance of fisheries conservation and management in the Region and of promoting cooperation to that effect,

AGREE AS FOLLOWS:

*Article I***The Commission**

1. The Contracting Parties hereby establish within the framework of the Food and Agriculture Organisation of the United Nations (hereinafter referred to as 'the Organisation') a Commission to be known as the General Fisheries Commission for the Mediterranean (hereinafter referred to as 'the Commission'), for the purpose of exercising the functions and discharging the responsibilities set forth in Article III below.

As regards Associate Members, this Agreement shall, in accordance with the provisions of Article XIV.5 of the Constitution and Rule XXI.3 of the General Rules of the Organisation, be submitted by the Organisation to the authority having responsibility for the international relations of such Associate Members.

*Article II***Organisation**

1. Each Member shall be represented at sessions of the Commission by one delegate, who may be accompanied by an alternate and by experts and advisers. Participation in meetings of the Commission by alternates, experts, and advisers shall not entail the right to vote, except in the case of an alternate who is acting in the place of a delegate during his absence.

2. Subject to paragraph 3, each Member shall have one vote. Decisions of the Commission shall be taken by a majority of the votes cast, except as otherwise provided by this Agreement. A majority of the total membership of the Commission shall constitute a quorum.

4. A Regional Economic Integration Organisation that is a Member of the Commission shall exercise its membership rights on an alternative basis with its Member States that are Members of the Commission in the areas of their respective competence. Whenever a Regional Economic Integration Organisation that is a Member of the Commission exercises its right to vote, its member States shall not exercise theirs, and conversely.

Nothing in this paragraph shall prevent a Regional Economic Integration Organisation that is a Member of the Commission or its Member States that are Members of the Commission from making a single declaration for the purposes of this paragraph, which declaration shall remain in force for questions and agenda items to be considered at all subsequent meetings subject to such exceptions or modifications as may be indicated before any individual meeting.

7. In cases where an agenda item covers both matters in respect of which competence has been transferred to the Regional Economic Integration Organisation and matters which lie within the competence of its Member States, both the Regional Economic Integration Organisation and its Member States may participate in the discussions. In such cases the meeting, in arriving at its decisions, shall take into account only the intervention of the Member which has the right to vote.

8. For the purpose of determining a quorum of any meeting of the Commission, the delegation of a Regional Economic Integration Organisation that is a Member of the Commission shall be counted to the extent that it is entitled to vote in the meeting in respect of which the quorum is sought.

9. The Commission shall elect a Chairman and two Vice-Chairmen.

10. The Chairman of the Commission shall normally convene a regular session of the Commission every year unless otherwise directed by a majority of the Members. The site and

13. The Commission may, by a two-thirds majority of its membership, adopt and amend its own Financial Regulations, provided that such Regulations shall be consistent with the Principles embodied in the Financial Regulations of the Organisation.
