

DECISIONS

DECISION (EU) 2015/5 OF THE EUROPEAN CENTRAL BANK
of 19 November 2014
on the implementation of the asset-backed securities purchase programme
(ECB/2014/45)

THE GOVERNING COUNCIL OF THE EUROPEAN CENTRAL BANK,

Having regard to the Treaty on the Functioning of the European Union, and in particular the first indent of Article 127(2) thereof,

Having regard to the Statute of the European System of Central Banks and of the European Central Bank, and in particular the second subparagraph of Article 12.1 in conjunction with the first indent of Article 3.1, and Article 18.1 thereof,

Whereas:

- (1) In accordance with Article 18.1 of the Statute of the European System of Central Banks and of the European Central Bank, the European Central Bank (ECB), together with national central banks of Member States whose currency is the euro, may operate in the financial markets by, among other things, buying and selling marketable instruments outright.
- (2) On 4 September 2014 the Governing Council decided that a new asset-backed securities purchase programme (ABSPP) should be initiated. Alongside the third covered bond purchase programme ⁽¹⁾ and the targeted longer-term refinancing operations ⁽²⁾ the ABSPP will further enhance the transmission of monetary policy, facilitate credit provision to the euro area economy, generate positive spill-overs to other markets and, as a result, ease the ECB's monetary policy stance, and contribute to a return of inflation rates to levels closer to 2 %.
- (3) As part of the single monetary policy, the outright purchase of eligible asset-backed securities (ABS) by the ECB under the ABSPP should be implemented in a uniform and, exceptionally during the initial phase, centralised manner, in accordance with this Decision.
- (4) After the initial phase of the ABSPP, it is intended that the ABSPP should be implemented in a uniform and decentralised manner by the Eurosystem central banks in accordance with a subsequent decision to that effect by the Governing Council,

HAS ADOPTED THIS DECISION:

Article 1

Establishment and scope of the ABSPP

The ABSPP, under which the ECB shall purchase eligible ABS within the meaning of Article 2 and in accordance with the provisions of this Decision, is hereby established. Under the ABSPP, the ECB may instruct its agents to purchase eligible ABS on its behalf in the primary and secondary markets from eligible counterparties within the meaning of Article 4.

- (6) The issuer of the ABS is established in the euro area.
