REGULATIONS

COMMISSION DELEGATED REGULATION (EU) 2015/895

of 2 February 2015

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

(1) Article 129 of Regulation (EU) No 508/2014 provides for the possibility to establish the conditions under which support approved by the Commission under Council Regulations (EC) No 861/2006 (2), (EC) No 1198/2006 (3) and (EC) No 791/2007 (4) and Regulation (EU) No 1255/2011 of the European Parliament and of the Council (5), may be integrated into support provided for under Regulation (EU) No 508/2014, including for technical assistance and for the ex post evaluations.

(2) Provisions for the transition from support under Regulation (EC) No 1198/2006 to support under Regulation (EU) No 508/2014 should be adopted. The ex post evaluation of the programmes funded under the European Fisheries Fund (EFF) will provide key information to support the strategic report for the coming programming period, as referred to in Article 53(2) of Regulation (EU) No 1303/2013 of the European Parliament and of the Council (6). This information will also feed into the impact assessment which will help prepare the new regulatory framework for the ESI Funds in the post-2020 period.

(3) In light of the above, this Regulation should adjust the dates for the completion of the ex post evaluation of the programmes to take account of the fact that the deadline set in Article 50(3) of Regulation (EC) No 1198/2006 is not compatible with a comprehensive ex post evaluation exercise, since it will not be possible for an evaluator to examine the impact of the programmes in relation to the objectives when commitments and payments are still ongoing. Indeed, in accordance with Article 55(1) of Regulation (EC) No 1198/2006, the period of eligibility of expenditure under the EFF lasts until 31 December 2013, and therefore payments by and to beneficiaries in accordance with Article 55(1) and (7) of that Regulation can be made until that date. Furthermore, the last

application for payment can be sent by the Member States to the Commission until 31 March 2017, in accordance with Article 86(1)(a) of Regulation (EC) No 1198/2006. (4) This Regulation should also clarify that it is not necessary for Member States to provide to the Commission the annual report referred to in Article 67 of Regulation (EC) No 1198/2006 by 30 June 2016 since the information contained in that report will not arrive in time for its inclusion in the \textit{ex post} evaluation report referred to in Article 50(3) of Regulation (EC) No 1198/2006. Once sent to the Commission by Member States in June 2016, that report will need to be approved before being examined and integrated in the \textit{ex post} evaluation by 31 December 2016. Furthermore, that information will be included in the final report referred to in that Article, HAS ADOPTED THIS REGULATION:
