- (4) The Council, by Regulation (EC) No 1796/1999 <sup>(2)</sup>, imposed anti-dumping measures on steel ropes and cables originating, *inter alia*, in the People's Republic of China ('the original measures'). By Regulation (EC) No 1858/2005 <sup>(3)</sup>, the Council maintained the original measures following an expiry review in accordance with Article 11(2) of the basic Regulation. By Implementing Regulation (EU) No 400/2010 <sup>(4)</sup>, the Council extended

<sup>(4)</sup> Implementing Regulation of the Council (EU) No 400/2010 of 26 April 2010 extending the definitive anti-dumping duty imposed by Regulation (EC) No 1858/2005 on imports of steel ropes and cables originating, *inter alia*, in the People's Republic of China to imports of steel ropes and cables consigned from the Republic of Korea, whether declared as originating in the Republic of Korea or not, and terminating the investigation in respect of imports consigned from Malaysia (OJ L 117, 11.5.2010, p. 1).

the measures to steel ropes and cables consigned from the Republic of Korea, whether declared as originating in the Republic of Korea or not ('the extended measures'), with the exception of those produced by companies specially mentioned in Article 1 of that Regulation.

- (5) The measures currently in force are a definitive anti-dumping duty imposed by Council Implementing Regulation (EU) No 102/2012 <sup>(1)</sup> following an expiry review pursuant to Article 11(2) of the basic Regulation, as last amended by Commission Implementing Regulation (EU) No 493/2014 <sup>(2)</sup>, under which, *inter alia*, imports into the European Union of the product under review consigned from the Republic of Korea are subject to a definitive anti-dumping duty of 60,4 %, with the exception of the product manufactured by companies which have been exempted.

#### 4. GROUNDS FOR THE REVIEW

- (6) The applicant provided prima facie evidence that:
- (7) it did not export the product under review to the Union during the investigation period used in the investigation that led to the extended measures, namely the period from 1 July 2008 to 30 June 2009;
- (8) it is not related to any of the exporting producers of the product under review which are subject to the anti-dumping duties in force, and that it has not circumvented the measures applicable to steel ropes and cables of Chinese origin; and
- (9) it has entered into an irrevocable contractual obligation to export a significant quantity to the Union.

#### 5. PROCEDURE

##### 5.1. Initiation

- (10) The Commission examined the evidence available and concluded that there was sufficient evidence to justify the initiation of an investigation pursuant to Articles 11(4) and 13(4) of the basic Regulation for the purposes of determining the possibility of granting the applicant an exemption from the extended measures. Union producers known to be concerned were informed of the request for a review and were given an opportunity to comment.

##### 5.2. Repeal of the existing measures and registration of imports

- (11) Pursuant to Article 11(4) of the basic Regulation, the anti-dumping duty in force should be repealed with regard to imports of the product under review which are produced and sold for export to the Union by the applicant. At the same time, such imports should be made subject to registration in accordance with Article 14(5) of the basic Regulation, in order to ensure that, should the review result in a finding of circumvention in respect of the applicant, anti-dumping duties can be levied from the date of the registration of these imports. The amount of the applicant's possible future liabilities cannot be estimated at this stage of the investigation.
