COUNCIL DECISION (CFSP) 2023/338
of 14 February 2023
amending certain Council decisions and common positions concerning restrictive measures in order
to insert provisions on a humanitarian exemption

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) On 9 December 2022, the United Nations Security Council (the ‘UNSC’) adopted Resolution 2664 (2022), recalling its previous resolutions imposing sanctions measures in response to threats to international peace and security, and emphasizing that measures taken by UN Member States to implement sanctions comply with their obligations under international law and are not intended to have adverse humanitarian consequences for civilian populations or adverse consequences for humanitarian activities or those carrying them out.

(2) Expressing its readiness to review, adjust and terminate, when appropriate, its sanctions regimes, taking into account the evolution of situations on the ground and the need to minimize unintended adverse humanitarian effects, the UNSC decides in paragraph 1 of Resolution 2664 (2022) that the provision, processing or payment of funds, other financial assets or economic resources or the provision of goods and services necessary to ensure the timely delivery of humanitarian assistance or to support other activities that support basic human needs are permitted and are not a violation of the asset freezes imposed by the UNSC or its sanctions committees. For the purposes of this Decision, paragraph 1 of Resolution 2664 (2022) is termed the ‘humanitarian exemption’. The humanitarian exemption is applicable to certain actors as set out in that Resolution.

(3) Resolution 2664 (2022) emphasises that where the humanitarian exemption conflicts with previous resolutions, it is to supersede such previous resolutions to the extent of such conflict. However, Resolution 2664 (2022) clarifies that paragraph 1 of UNSC Resolution 2615 (2021) remains in effect.

(4) Resolution 2664 (2022) requests that providers relying on the humanitarian exemption make reasonable efforts to minimise the accrual of any benefits prohibited by sanctions, whether as a result of direct or indirect provision or diversion to designated individuals or entities, including by strengthening risk management and due diligence strategies and processes.

Further action by the Union is necessary to implement certain measures in this Decision.
