THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 <sup>(1)</sup>, and in particular Article 190(3), Article 193a(1) and Article 223(2),

Having regard to Regulation (EU) 2021/2116 of the European Parliament and of the Council of 2 December 2021 on the financing, management and monitoring of the common agricultural policy and repealing Regulation (EU) No 1306/2013 <sup>(2)</sup>, and in particular Article 64(3),

Having regard to Regulation (EU) No 952/2013 of the European Parliament and of the Council of 9 October 2013 laying down the Union Customs Code <sup>(3)</sup>, and in particular Article 212(b),

Whereas:

- (1) Regulation (EU) No 1308/2013 repealed and replaced Council Regulation (EC) No 1234/2007 <sup>(4)</sup>. Regulation (EU) No 1308/2013 lays down rules on trade with third countries of agricultural products and empowers the Commission to adopt delegated and implementing acts in that respect. In order to ensure the smooth functioning of the trade of the products in the sectors of rice, cereals, sugar and hops in the new legal framework, certain rules have to be adopted by means of such acts. This Regulation and Commission Implementing Regulation (EU) 2023/2834 <sup>(5)</sup> should replace such currently existing rules.
- (2) Pursuant to the Agreement in the form of an Exchange of Letters between the European Community and India pursuant to Article XXVIII of the GATT 1994 relating to the modification of concessions with respect to rice provided for in EC Schedule CXL annexed to the GATT 1994, approved by Council Decision 2004/617/EC <sup>(6)</sup>, the duty applicable to imports from India of husked rice of certain Basmati varieties is fixed at zero.

<sup>(1)</sup> OJ L 347, 20.12.2013, p. 671.

<sup>(2)</sup> OJ L 435, 6.12.2021, p. 187.

<sup>(3)</sup> OJ L 269, 10.10.2013, p. 1.

<sup>(4)</sup> Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) (OJ L 299, 16.11.2007, p. 1).

<sup>(5)</sup> Commission Implementing Regulation (EU) 2023/2834 of 10 October 2023 laying down rules for the application of Regulation (EU) No 1308/2013 of the European Parliament and of the Council as regards imports in the sectors of rice, cereals, sugar and hops (OJ L, 2023/2834, 21.12.2023, ELI: [http://data.europa.eu/eli/reg\\_impl/2023/2834/oj](http://data.europa.eu/eli/reg_impl/2023/2834/oj)).

<sup>(6)</sup> Council Decision 2004/617/EC of 11 August 2004 on the conclusion of an Agreement in the form of an Exchange of Letters between the European Community and India pursuant to Article XXVIII of the GATT 1994 relating to the modification of concessions with respect to rice provided for in EC Schedule CXL annexed to the GATT 1994 (OJ L 279, 28.8.2004, p. 17).

- (3) Pursuant to the Agreement in the form of an Exchange of Letters between the European Community and Pakistan pursuant to Article XXVIII of the GATT 1994 relating to the modification of concessions with respect to rice provided for in EC Schedule CXL annexed to the GATT 1994, approved by Council Decision 2004/618/EC <sup>(7)</sup>, the duty applicable to imports of husked rice of certain Basmati varieties originating in Pakistan is fixed at zero.
- (4) To ensure the sound administrative management of imports of Basmati rice, special rules, whether additional to or derogating from Commission Delegated Regulation (EU) 2016/1237 <sup>(8)</sup> and from Commission Implementing Regulation (EU) 2016/1239 <sup>(9)</sup>, should be adopted concerning the obligation for an import licence and other issues, especially as regards proof of trade and transferability of a licence.
- (5) In order to ensure that importers of cereals respect the provisions of this Regulation and of Implementing Regulation (EU) 2023/2834, a guarantee for the quality of the products imported should be required from them.
- (6) In order to ensure that the Union market is adequately supplied by imports of molasses from third countries, the Commission should have the power to suspend in whole or in part import duties for molasses falling within CN code 1703.
- (7) For products of the hops sector imported from third countries, an attestation of equivalence certifies that they respect the quality standards equivalent to those adopted for like products harvested within the Union or made from such products. It is important that Member States carry out controls to ensure that imported products of the hops sector meet the criteria laid down in the attestation of equivalence and inform the Commission of any findings which would necessitate the removal of the issuing competent authority from the list of third country authorities that are authorised to issue such attestations.
- (8) In order to reduce the administrative burden, small packages of products of the hops sector for sale to private individuals for their own use, hops for scientific and technical experiments and for fairs covered by the special customs arrangements for fairs should be imported without an attestation of equivalence, as long as certain entries appear on the packaging which ensure that the product is not put in free circulation, but only destined for one of the uses to which the exception applies.
- (9) Trade of certain agricultural products between the EU and certain third countries often requires that the products are accompanied for imports by documents that certify the implementation of certain formalities (so-called 'non-customs formalities) required by the EU agricultural legislation, currently predominantly in the paper form. The Commission intends to digitise the whole process by establishing an electronic system for DG AGRI non-customs
