DECLARATIONS

When adopting the above Decision on 29 October 1993, the Representatives of the Governments of the Member States adopted the following declarations by common agreement:

- Under Council Regulation (EEC) No 337/75 of 10 February 1975, which was adopted unanimously by the Council on a proposal from the Commission and after consulting the European Parliament, the seat of the European Centre for the Development of Vocational Training was located in Berlin. The Representatives of the Governments of the Member States call upon the institution of the European Community to provide that that seat shall be determined, as soon as possible, in Thessaloniki.

The Commission stated that it was willing to submit a proposal to that effect in the very near future.

- A Translation Centre for the bodies of the Union will be set up within the Commission's Translation Departments located in Luxembourg and will provide the necessary translation services for the operation of the bodies and departments whose seats have been determined by the above Decision of 29 October 1993, with the exception of the translators of the European Monetary Institute.
- The Member States undertake to support the candidacy of Luxembourg as seat of the Common Appeal Court for Community patents as provided for in the Protocol on the settlement of litigation concerning the infringement and validity of Community patents annexed to the Community Patent Agreement of 15 December 1989.

At the conference of the Representatives of the Governments of the Member States the Commission confirmed that it intends to consolidate the establishment of those of its departments that are located in Luxembourg.

Finally, the Member States noted that budgetary resources are available to enable the European Foundation for the Improvement of Living and Working Conditions in Dublin to perform a number of new tasks.
