Resolution of the Council and of the Representatives of the Governments of the Member States, meeting within the Council, on a European Union Work Plan for Sport for 2011-2014

(2011/C 162/01)

THE COUNCIL OF THE EUROPEAN UNION AND THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES,

1. INTRODUCTION

RECALL the competence assigned to the European Union, in particular by Article 6 and Article 165 of the Treaty on the Functioning of the European Union, according to which sport is an area where action at EU level should support, coordinate and supplement the actions of Member States.

RECOGNISE that after the entry into force of the Lisbon Treaty, there is a need for reinforced cooperation in sport at EU level.

WELCOME the Commission’s Communication on Developing the European Dimension in Sport (*) and the main fields of action within its thematic chapters which build on the White Paper on Sport (**). The Communication is an important step toward the identification of areas for cooperation at EU level whilst respecting the autonomy of sport’s governing structures and the principle of subsidiarity.

ACKNOWLEDGE that sport can contribute to the achievement of the objectives of the Europe 2020 strategy for smart, sustainable and inclusive growth.

RECALL the Council resolution of 18 November 2010 where the Council agreed to convene, on a regular basis, generally in the margins of the Council meeting, an informal meeting of leading representatives of the EU public authorities and the sports movement with the aim of exchanging views on sporting issues in the EU (**).

AGREE to foster a framework of European cooperation in the field of sport by establishing a three-year EU Work Plan on Sport for Member State and Commission action, recognising and taking into account the achievements of the work in the informal structures established prior to the Lisbon Treaty.

2. DEVELOPING THE EUROPEAN DIMENSION IN SPORT BY ESTABLISHING AN EU WORK PLAN

— to address transnational challenges using a coordinated EU approach,

— to promote the specific nature and contribution of sport in other EU policy domains,

— to work towards evidence-based sport policy.

UNDERLINE that this EU Work Plan should be a flexible framework which is capable of responding when appropriate to developments in the field of sport.

   — media rights and intellectual property rights.

AGREE on the basis of the general list above, that the following themes should be given priority by Member States and the Commission for the period covered by the present work plan (up to mid-2014). These priority themes can be complemented by each Presidency in the light of any possible new developments:

AGREE on a list of specific actions in line with these priority themes and a timetable for their implementation, as set out in Annex I.

3. WORKING METHODS AND STRUCTURES

RECOGNISE that:

There is a need to strengthen cooperation between the Member States and the Commission after the entry into force of the Lisbon Treaty, based on the guiding principles listed in Section 2 of this Work Plan.

There is also a need for the EU to work closely with the sport movement and relevant competent organisations at national, European and international levels such as the Council of Europe, in particular through structured dialogue.

AGREE that:

Activities at EU level in the field of sport should focus on the priority themes, actions and working methods listed in this Work Plan.

The implementation of this Work Plan will be supported by a number of informal expert groups which will build on the work of six existing expert groups (1) established since 2005.

The expert groups will be requested to focus their work on the priority themes outlined in Section 2 and on actions and target dates listed in Annex I. The actions in Annex I may be revised by the Council and the Representatives of Governments of the Member States, meeting within the Council in the light of results achieved and policy developments at EU level.

The principles relating to membership and functioning of the expert groups are set out in the Annex II.

In addition to expert groups, other working methods may include e.g. Presidency conferences, informal meetings of Sports Directors and Ministers, Commission studies and conferences.

In the first half of 2014, the implementation of the present Work Plan will be evaluated by the Council on the basis of a report prepared by the Commission by the end of 2013.

Working procedures
— Expert groups will concentrate on delivering concrete and useable results on the subject requested.

— To implement this Work Plan, each expert group will be responsible for appointing its chair or co-chairs at the first 
expert group meeting after the adoption of the Work Plan. Each expert group will prepare a work schedule according 
to this Work Plan.

— The Member States will be given an opportunity to give guidance to the expert groups in order to guarantee the 
desired outcome and timeline, as well as the coordination of the groups’ work.

— The Council and the Representatives of the Governments of the Member States, meeting within the Council, will 
decide whether it is appropriate to propose new actions for the expert groups.

— The Commission will provide expertise, as well as logistical and secretarial support to the work of the groups. As far 
as possible, it will support the groups by other suitable means (including studies relevant to their field of work).

— Expert groups will meet in Brussels as a main rule, but can organise meetings outside Brussels when invited by a 
Member State.

— Expert groups will meet as a main rule twice a year, but can adopt a different timetable if needed.

Reporting and information
— The chairs of the expert groups will report to the Working Party on Sport on the progress of work in the respective 
expert groups and present recommendations on possible future actions to the Working Party on Sport.

— The meeting agendas and meeting reports of all groups will be available to all Member States, irrespective of their 
degree of participation in a given area. The reports of the groups will be published.

— The reports from the expert groups will feed into the report by the Commission on the implementation of the Work 
Plan.
