Article 1

Article 1

Paragraphs 1 and 2 unchanged

3. This Directive and Directive 81/851/EEC shall not apply to autogenous vaccines which are manufactured from organisms found in discharges from the body of an animal and used for the treatment of the individual animal from which the organisms are derived.

3. This Directive and Directive 81/851/EEC shall not apply to inactivated immunological veterinary medicinal products which are manufactured from pathogens and antigens obtained from an animal or from a holding and used for the treatment of that animal or the animals of that holding in the same locality.
