**IN THE FORM OF AN EXCHANGE OF LETTERS AMENDING THE AGREEMENT
BETWEEN THE EUROPEAN COMMUNITY AND THE SOCIALIST REPUBLIC OF
VIET NAM ON TRADE IN TEXTILE AND CLOTHING PRODUCTS INITIALLED
ON 15 DECEMBER 1992, AS LAST AMENDED BY THE AGREEMENT IN THE
FORM OF AN EXCHANGE OF LETTERS INITIALLED ON 17 NOVEMBER 1997**

Letter No 1

LETTER FROM THE COUNCIL OF THE EUROPEAN UNION

Sir,

1. I have the honour to refer to the negotiations held from 27 to 31 March 2000 between our respective delegations with a view to amending the Agreement between the European Community and the Socialist Republic of Viet Nam on trade in textile and clothing products initialled on 15 December 1992 and applied from 1 January 1993, as last amended by the Agreement in the form of an exchange of letters initialled on 17 November 1997 (hereinafter referred to as "the Agreement").

2. As a result of those negotiations, it was agreed to amend the Agreement as follows:

2.1. Article 3 is replaced by the following:

"Article 3

1. Viet Nam agrees to limit its exports to the Community of products listed in Annex II to the amounts set out therein for each Agreement year.

In the allocation of quantities for export to the Community, Viet Nam undertakes to ensure that companies fully or partially owned by Community investors and Vietnamese companies are treated equally.

2. Exports of textile products set out in Annex II shall be subject to a double-checking system as specified in Protocol A.

3. In administering the quantitative limits referred to in paragraph 1, Viet Nam shall ensure that the Community textile industry benefits from utilisation of such limits.

In particular, Viet Nam undertakes to reserve, as a priority, 30% of the quantitative limits for firms in that industry for a period of four months beginning on 1 January of each year. For this purpose, contracts made with such firms during the period in question and submitted to the Vietnamese authorities during the same period shall be taken into consideration.

4. To facilitate the implementation of these provisions, the Community shall provide the competent Vietnamese authorities, before 31 October of each year, with a list of interested manufacturers and processors and of the quantity of products requested for each firm. To this end, the firms concerned must make direct contact with the relevant Vietnamese bodies during the period specified in paragraph 3, in order to verify what quantities are available under the reserve referred to in paragraph 3.

5. Subject to the provisions of this Agreement, and without prejudice to the quantitative system applicable to products subject to the operations referred to in Article 4, the Community undertakes to suspend the application of quantitative restrictions currently in force in respect of products covered by this Agreement.

6. Exports of products referred to in Annex IV to the Agreement which are not subject to quantitative limits shall be subject to the double-checking system referred to in paragraph 2.

7. Should the Socialist Republic of Viet Nam become a Member of the World Trade Organisation before the date of expiry of this Agreement, the restrictions in force shall be phased out in the framework of the WTO Agreement on Textiles and Clothing and Viet Nam's Protocol of Accession to the WTO."

2.2 Article 19(1) is replaced by the following:

"1. This Agreement shall enter into force on the first day of the month following the date on which the Parties notify each other of the completion of the procedures necessary for that purpose. It shall be applicable until 31 December 2002. Thereafter, its application shall be automatically extended for a period of one year, unless either Party notifies the other by 30 June 2002 at the latest that it does not agree with the extension.

In the event of extension of the Agreement up to 31 December 2003, the quantitative limits for the categories of products set out in Annex II for the year 2003 shall be the amounts set out in that Annex for the year 2002 increased by the percentage of growth applied for each category of products between the years 2001 and 2002."

2.3 Annex I to the Agreement is replaced by Annex A to this letter.

2.4 Annex II to the Agreement is replaced by Annex B to this letter.

2.5 The Annex to Protocol B of the Agreement is replaced by Annex C to this letter.

2.6 A Protocol concerning the industry reserve is attached at Annex D to this letter.

2.7 Paragraph 4 of the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community is replaced by Annex E to this letter.

2.8 Annex F to this letter becomes Annex III to the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community.

2.9 The Agreed Minute on the reciprocal opening of each Party's markets is attached at Annex G to this letter.

3. The Agreed Minute on the operation of the industry reserve in 2000 is attached at Annex H to this letter.

4. I should be obliged if you would confirm the agreement of the Socialist Republic of Viet Nam to the above amendments. Should this be the case, this letter and its accompanying Annexes, together with your written confirmation shall constitute an Agreement in the form of an Exchange of Letters between the European Community and the Socialist Republic of Viet Nam. This Agreement shall enter into force on the first day of the month following the date on which the European Community and the Socialist Republic of Viet Nam notify each other of the completion of the procedures necessary for that purpose. In the meantime, the amendments to the Agreement shall be applied provisionally from 15 June 2000, subject to reciprocity.

Please accept, Sir, the assurance of my highest consideration.

ANNEX D

Protocol concerning the industry reserve

In the context of the Agreement in the form of an Exchange of Letters between the European Community and the Socialist Republic of Viet Nam initialled on 31 March 2000 amending the Agreement between the European Economic Community and the Socialist Republic of Viet Nam on trade in textile products as last amended by Agreements initialled on 17 November 1997, Viet Nam took note of concerns expressed by the European Community regarding the implementation of Article 3 paragraphs 1, 3 and 4. With a view to strengthening mutual understanding and cooperation in this field, the following standard procedure for implementation of the industry reserve was approved by both Parties:

- the Vietnamese authorities will take the list of Community enterprises provided by the European Community authorities as a list of those traders entitled to benefit from the industry reserve;
- Community industry will make contact with Vietnamese exporters with a view to entering into contracts with the Vietnamese manufacturers and exporters;
- the Vietnamese manufacturers or exporters will submit applications for use of the industry reserve together with the contracts to the competent Vietnamese bodies;
- within the limits of the reserve, the authorities will grant Vietnamese manufacturers or exporters a quota for the duration of the reserve, in accordance with the relevant regulations;
- thereafter, the competent Vietnamese bodies will issue export licences to allow the Community traders specified in the lists provided by the Community authorities to complete purchasing contracts.

In this regard, the Vietnamese authorities undertake to:

- operate the system promptly and in a non-discriminatory manner;
- provide the names and addresses of the competent Vietnamese bodies;
- provide texts of the relevant regulations as soon as they are available;
- ensure that export licences issued under this system are identified as "industry reserve";
- to supply separate statistical information concerning licences applied for and issued pursuant to these provisions by 1 April of each year;
- cooperate with the European Community authorities to ensure that licences issued pursuant to these provisions are identified within the exchanges of information via the SIGL network.

The Parties agreed that, in the event of any difficulties in the application of the provisions relating to the industry reserve, consultations may be held with a view to finding a mutually satisfactory solution.

For the Government
of the Socialist Republic of Viet Nam

For the Council
of the European Union

ANNEX E

Paragraph 4 of the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community is replaced by the following:

“4. With regard to the customs duty rates currently applicable to imports of Community textile and clothing products, the Vietnamese delegation undertakes to recommend to Viet Nam's National Assembly that the following measures relating to the reduction of customs duties be adopted in order to improve access to the Vietnamese market for Community textile and clothing products:

- (a) a progressive and irrevocable reduction staggered over a period of ten years starting from 1 January 1996 to bring the duties concerned down to the following levels:

Garments	30%
Fabrics and made-up articles	20%
Yarns	12%
Fibres	7%

provided that the reduction related primarily to the products listed in Annex II to this Protocol.

- (b) with regard to the textile products listed in Annex III to this Protocol, the Vietnamese delegation undertakes to implement a progressive and irrevocable reduction staggered in equal two-year stages over a period of six years starting from 1 July 2000 to bring the duties concerned down to the following levels:

Garments	30%
Fabrics and made-up articles	20%
Yarns	12%
Fibres	7%

Consultations will be held on this matter by no later than 31 October 2000.

If, as a result of such consultations, the European Community considers that the Vietnamese authorities are not implementing the reduction, the amendments to the Agreement will be considered as null and void and the Agreement will become applicable again between the two Parties with effect from 1 January 2001 such as it exists on the date that this Protocol is initialled.”

Letter No 2

**LETTER FROM THE GOVERNMENT OF THE SOCIALIST REPUBLIC OF VIET
NAM**

Sir,

I have the honour to acknowledge receipt of your letter of which reads as follows:

"1. I have the honour to refer to the negotiations held from 27 to 31 March 2000 between our respective delegations with a view to amending the Agreement between the European Community and the Socialist Republic of Viet Nam on trade in textile and clothing products initialled on 15 December 1992 and applied from 1 January 1993, as last amended by the Agreement in the form of an exchange of letters initialled on 17 November 1997 (hereinafter referred to as "the Agreement").

2. As a result of those negotiations it was agreed to amend the Agreement as follows:

2.1. Article 3 is replaced by the following:

"Article 3

1. Viet Nam agrees to limit its exports to the Community of products listed in Annex II to the amounts set out therein for each Agreement year.

In the allocation of quantities for export to the Community, Viet Nam undertakes to ensure that companies fully or partially owned by Community investors and Vietnamese companies are treated equally.

2. Exports of textile products set out in Annex II shall be subject to a double-checking system as specified in Protocol A.

3. In administering the quantitative limits referred to in paragraph 1, Viet Nam shall ensure that the Community textile industry benefits from utilisation of such limits.

In particular, Viet Nam undertakes to reserve, as a priority, 30% of the quantitative limits for firms in that industry for a period of four months beginning on 1 January of each year. For this purpose, contracts made with such firms during the period in question and submitted to the Vietnamese authorities during the same period shall be taken into consideration.

4. To facilitate the implementation of these provisions, the Community shall provide the competent Vietnamese authorities, before 31 October of each year, with a list of interested manufacturers and processors and of the quantity of products requested for each firm. To this end, the firms concerned must make direct contact with the relevant Vietnamese bodies during the period specified in paragraph 3, in order to verify what quantities are available under the reserve referred to in paragraph 3.

5. Subject to the provisions of this Agreement, and without prejudice to the quantitative system applicable to products subject to the operations referred to in Article 4, the Community undertakes to suspend the application of quantitative restrictions currently in force in respect of products covered by this Agreement.

6. Exports of products referred to in Annex IV to the Agreement which are not subject to quantitative limits shall be subject to the double-checking system referred to in paragraph 2.

7. Should the Socialist Republic of Viet Nam become a Member of the World Trade Organisation before the date of expiry of this Agreement, the restrictions in force shall be phased out in the framework of the WTO Agreement on Textiles and Clothing and Viet Nam's Protocol of Accession to the WTO."

2.2 Article 19(1) is replaced by the following:

"1. This Agreement shall enter into force on the first day of the month following the date on which the Parties notify each other of the completion of the procedures necessary for that purpose. It shall be applicable until 31 December 2002. Thereafter, its application shall be automatically extended for a period of one year, unless either Party notifies the other by 30 June 2002 at the latest that it does not agree with the extension.

In the event of extension of the Agreement up to 31 December 2003, the quantitative limits for the categories of products set out in Annex II for the year 2003 shall be the amounts set out in that Annex for the year 2002 increased by the percentage of growth applied for each category of products between the years 2001 and 2002."

2.3 Annex I to the Agreement is replaced by Annex A to this letter.

2.4 Annex II to the Agreement is replaced by Annex B to this letter.

2.5 The Annex to Protocol B of the Agreement is replaced by Annex C to this letter.

2.6 A Protocol concerning the industry reserve is attached at Annex D to this letter.

2.7 Paragraph 4 of the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community is replaced by Annex E to this letter.

2.8 Annex F to this letter becomes Annex III to the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community.

2.9 The Agreed Minute on the reciprocal opening of each Party's markets is attached at Annex G to this letter.

3. The Agreed Minute on the operation of the industry reserve in 2000 is attached at Annex H to this letter.

4. I should be obliged if you would confirm the agreement of the Socialist Republic of Viet Nam to the above amendments. Should this be the case, this letter and its accompanying Annexes, together with your written confirmation shall constitute an Agreement in the form of an Exchange of Letters between the European Community and the Socialist Republic of Viet Nam. This Agreement shall enter into force on the first day of the month following the date on which the European Community and the Socialist Republic of Viet Nam notify each other of the completion of the procedures

necessary for that purpose. In the meantime, the amendments to the Agreement shall be applied provisionally from 15 June 2000, subject to reciprocity.

Please accept, Sir, the assurance of my highest consideration."

I have the honour to confirm that my Government is in agreement with the contents of your letter.

Please accept, Sir, the assurance of my highest consideration.

of the Socialist Republic of Viet Nam

ANNEX D

Protocol concerning the industry reserve

In the context of the Agreement in the form of an Exchange of Letters between the European Community and the Socialist Republic of Viet Nam initialled on 31 March 2000 amending the Agreement between the European Economic Community and the Socialist Republic of Viet Nam on trade in textile products as last amended by Agreements initialled on 17 November 1997, Viet Nam took note of concerns expressed by the European Community regarding the implementation of Article 3 paragraphs 1, 3 and 4. With a view to strengthening mutual understanding and cooperation in this field, the following standard procedure for implementation of the industry reserve was approved by both Parties:

- the Vietnamese authorities will take the list of Community enterprises provided by the European Community authorities as a list of those traders entitled to benefit from the industry reserve;
- Community industry will make contact with Vietnamese exporters with a view to entering into contracts with the Vietnamese manufacturers and exporters;
- the Vietnamese manufacturers or exporters will submit applications for use of the industry reserve together with the contracts to the competent Vietnamese bodies;
- within the limits of the reserve, the authorities will grant Vietnamese manufacturers or exporters a quota for the duration of the reserve, in accordance with the relevant regulations;
- thereafter, the competent Vietnamese bodies will issue export licences to allow the Community traders specified in the lists provided by the Community authorities to complete purchasing contracts.

In this regard, the Vietnamese authorities undertake to:

- operate the system promptly and in a non-discriminatory manner;
- provide the names and addresses of the competent Vietnamese bodies;
- provide texts of the relevant regulations as soon as they are available;
- ensure that export licences issued under this system are identified as "industry reserve";
- to supply separate statistical information concerning licences applied for and issued pursuant to these provisions by 1 April of each year;
- cooperate with the European Community authorities to ensure that licences issued pursuant to these provisions are identified within the exchanges of information via the SIGL network.

The Parties agreed that, in the event of any difficulties in the application of the provisions relating to the industry reserve, consultations may be held with a view to finding a mutually satisfactory solution.

For the Government
of the Socialist Republic of Viet Nam

For the Council
of the European Union

ANNEX E

Paragraph 4 of the Protocol of Understanding concerning access to the Vietnamese market for products of the textile and clothing sector originating in the European Community is replaced by the following:

“4. With regard to the customs duty rates currently applicable to imports of Community textile and clothing products, the Vietnamese delegation undertakes to recommend to Viet Nam's National Assembly that the following measures relating to the reduction of customs duties be adopted in order to improve access to the Vietnamese market for Community textile and clothing products:

- (a) a progressive and irrevocable reduction staggered over a period of ten years starting from 1 January 1996 to bring the duties concerned down to the following levels:

Garments	30%
Fabrics and made-up articles	20%
Yarns	12%
Fibres	7%

provided that the reduction related primarily to the products listed in Annex II to this Protocol.

- (b) with regard to the textile products listed in Annex III to this Protocol, the Vietnamese delegation undertakes to implement a progressive and irrevocable reduction staggered in equal two-year stages over a period of six years starting from 1 July 2000 to bring the duties concerned down to the following levels:

Garments	30%
Fabrics and made-up articles	20%
Yarns	12%
Fibres	7%

Consultations will be held on this matter by no later than 31 October 2000.

If, as a result of such consultations, the European Community considers that the Vietnamese authorities are not implementing the reduction, the amendments to the Agreement will be considered as null and void and the Agreement will become applicable again between the two Parties with effect from 1 January 2001 such as it exists on the date that this Protocol is initialled.”
