

## NOTICES FROM MEMBER STATES

## VALUE ADDED TAX (VAT)

## EXEMPT INVESTMENT GOLD

**List of gold coins meeting the criteria established in Article 344(1), point (2) of Council Directive 2006/112/EC (special scheme for investment gold)****Valid for the year 2019**

(2018/C 412/07)

## EXPLANATORY NOTE

- (a) This list reflects the contributions sent by Member States to the Commission within the deadline set by Article 345 of Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax <sup>(1)</sup>.
- (b) The coins included in this list are considered to fulfil the criteria of Article 344 and therefore will be treated as investment gold in those Member States. As a result, their supply is exempt from VAT for the whole of the 2019 calendar year.
- (c) The exemption will apply to all issues of the given coin in this list, except to issues of coins with a purity lower than 900 thousandths fine.
- (d) However, if a coin does not appear in this list, its supply will still be exempt where the coin meets the criteria for the exemption laid down in the VAT Directive.
- (e) The list is in alphabetical order, by names of countries and denominations of coins. Within the same category of coins, the listing follows the increasing value of the currency.
- (f) In the list, the denomination of the coins reflects the currency shown on the coins. However, where the currency on the coins is not shown in roman script, where possible, its denomination in the list is shown in parenthesis.
