## NOTICES FROM MEMBER STATES

**Competent national authorities referred to in Article 2(b) of Council Regulation (EC) No 1338/2001**

(2021/C 92/01)

Council Regulation (EC) No 1338/2001 <sup>(1)</sup>, laying down measures necessary for the protection of the euro against counterfeiting, provides for the publication in the *Official Journal of the European Union* of the lists of the competent national authorities.

Council Regulation (EC) No 1339/2001 <sup>(2)</sup> extended the effects of Regulation (EC) No 1338/2001 to the Member States, which have not adopted the euro as their single currency.

In line with these Regulations, Member States have designated the authorities competent, at national level, for the fight against counterfeiting.

The Commission compiled the lists of these competent national authorities. The list here below replaces the lists of competent national authorities published in the *Official Journal of the European Union* C 264 of 12 August 2015, page 2.

The lists here below correspond to the four indents of Article 2(b) of Regulation (EC) No 1338/2001.
