

**New national side of euro coins intended for circulation**

(2018/C 118/06)

*National side of the new commemorative 2-euro coin intended for circulation and issued by Italy*

Euro coins intended for circulation have legal tender status throughout the euro area. For the purpose of informing the public and all parties who handle the coins, the Commission publishes a description of the designs of all new coins <sup>(1)</sup>. In accordance with the Council conclusions of 10 February 2009 <sup>(2)</sup>, euro-area Member States and countries that have concluded a monetary agreement with the European Union providing for the issuing of euro coins are allowed to issue commemorative euro coins intended for circulation, provided that certain conditions are met, particularly that only the 2-euro denomination is used. These coins have the same technical characteristics as other 2-euro coins, but their national face features a commemorative design that is highly symbolic in national or European terms.

**Issuing country:** Italy

**Subject of commemoration:** The 60th Anniversary of the establishment of the Italian Ministry of Health

**Description of the design:** The design shows an allegorical representation of Health with some symbols of the activities of the Ministry: Environment, Research, Nutrition and Medicine. On the left the logo 'RI', acronym of the Italian Republic; above the mintmark of the Mint of Rome 'R'; at the base of the female figure the initials of the author Silvia Petrassi. From left to right, in semi-circle, the inscription 'MINISTERO DELLA SALUTE' and the dates '1958-2018'.

The coin's outer ring depicts the 12 stars of the European flag.

**Estimated number of coins to be issued:** 3 000 000

**Date of issue:** March 2018
