1. Must Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing be interpreted as meaning that 'trust and company service providers', within the meaning of Article 2(1)(3)(c) and point (7)(b) of Article 3 of that Directive, are subject to the obligation to verify the customer's identity as specified in Article 8(1)(a) and Article 9(1) and (6) of the Directive solely in accordance with the legislation of the Member State in which they are established (in welchem [der Dienstleister für Trusts und Gesellschaften] seinen rechtlichen Sitz hat)?
