COMMISSION IMPLEMENTING DECISION (EU) 2022/1668

of 28 September 2022

on harmonised standards for equipment and protective systems intended for use in potentially explosive atmospheres drafted in support of Directive 2014/34/EU of the European Parliament and of the Council

(Text with EEA relevance)

(OJ L 251, 29.9.2022, p. 6)

Amended by:

► <u>M2</u>	Commission Implementing Decision (EU) 2023/1587 of 1 August 2023	L 194	134	2.8.2023

**COMMISSION IMPLEMENTING DECISION (EU) 2022/1668****of 28 September 2022****on harmonised standards for equipment and protective systems intended for use in potentially explosive atmospheres drafted in support of Directive 2014/34/EU of the European Parliament and of the Council****(Text with EEA relevance)***Article 1*

The references of harmonised standards for equipment and protective systems intended for use in potentially explosive atmospheres in support of Directive 2014/34/EU, listed in Annex I to this Decision, are hereby published in the *Official Journal of the European Union*.

Article 2

Implementing Decision (EU) 2019/1202 is repealed.

Article 3

Communication 2018/C 371/01 is repealed. However, it shall continue to apply in respect of the references of harmonised standards listed in Annex II to this Decision until the dates of withdrawal of those references.

Article 4

This Decision shall enter into force on the day of its publication in the *Official Journal of the European Union*.

ANNEX I

No	Reference of the standard
1.	EN 1010-1:2004+A1:2010 Safety of machinery – Safety requirements for the design and construction of printing and paper converting machines – Part 1: Common requirements
2.	EN 1010-2:2006+A1:2010 Safety of machinery – Safety requirements for the design and construction of printing and paper converting machines – Part 2: Printing and varnishing machines including pre-press machinery
