THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision 2011/137/CFSP of 28 February 2011 concerning restrictive measures in view of the situation in Libya,⁽¹⁾ adopted in accordance with Chapter 2 of Title V of the Treaty on European Union,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the Commission,

Whereas:

- (1) In accordance with UN Council Security Resolution 1970 (2011) of 26 February 2011, Decision 2011/137/CFSP provides for an arms embargo, a ban on internal repression equipment, as well as restrictions on the admission and the freezing of funds and economic resources of certain persons and entities involved in serious human rights abuses against persons in Libya, including by being involved in attacks, in violation of international law, on civilian populations and facilities. Those natural or legal persons and entities are listed in the Annexes to the Decision.
- (2) Some of those measures fall within the scope of the Treaty on the Functioning of the European Union and regulatory action at the level of the Union is therefore necessary in order to implement them, in particular with a view to ensuring their uniform application by economic operators in all Member States.
- (3) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.
- (4) This Regulation also fully respects the obligations of Member States under the Charter of the United Nations and the legally-binding nature of United Nations Security Council Resolutions.
- (5) The power to amend the lists in Annexes II and III to this Regulation should be exercised by the Council, in view of the specific threat to international peace and security posed by Libya, and to ensure consistency with the process for amending and reviewing Annexes III and IV to Decision 2011/137/CFSP.

⁽¹⁾ See page 53 of this Official Journal.

- (6) The procedure for amending the lists in Annexes II and III to this Regulation should include providing designated natural or legal persons, entities or bodies with the grounds for listing, so as to give them an opportunity to submit observations. Where observations are submitted, or substantial new evidence is presented, the Council should review its decision in light of those observations and inform the person, entity or body concerned accordingly.
- (7) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation, must be made public. Any processing of personal data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data ⁽¹⁾ and Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data ⁽²⁾.
