THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 90/429/EEC of 26 June 1990 laying down the animal health requirements applicable to intra-Community trade in and imports of semen of domestic animals of the porcine species <sup>(1)</sup>, as amended by the Act of Accession of Austria, Finland and Sweden, and in particular Article 8 thereof,

Whereas Commission Decision 93/160/EEC <sup>(2)</sup>, as amended by Decision 94/453/EC <sup>(3)</sup>, establishes a list of third countries from which Member States authorize the importation of semen of domestic animals of the porcine species;

Whereas Switzerland is included in this list; whereas the Swiss competent authorities have forwarded a list of semen collection centres officially approved for export of porcine semen to the Community;

Whereas the Commission is satisfied that the centre approved by the third country to which this Decision refers meets the terms of Directive 90/429/EEC and can, in the circumstances, be included in a list of centres approved for the export of porcine semen to the Community;

Whereas it will be necessary to re-examine and, if necessary, to amend this Decision in the light of new information from time to time;

Whereas Community on-the-spot visits will at the same time be undertaken to ensure the uniform application of Directive 90/429/EEC, particularly in relation to the veterinary supervision of semen production systems, the powers of the veterinary services and the supervision to which semen collection centres are subject;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:
