THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1095/96 of 18 June 1996 on the implementation of the concessions set out in Schedule CXL drawn up in the wake of the conclusion of the GATT XXIV.6 negotiations <sup>(1)</sup>, and in particular Article 1 (1) thereof,

Whereas, pursuant to Schedule CXL, the Community agreed to open an annual tariff quota of 1 500 tonnes for frozen thin skirt of bovine animal falling within CN code 0206 29 91; whereas that quota should be opened on a multiannual basis for periods of 12 months commencing on 1 July and the detailed rules of application laid down;

Whereas Commission Regulation (EEC) No 3719/88 <sup>(2)</sup>, as last amended by Regulation (EC) No 495/97 <sup>(3)</sup>, lays down detailed rules for the application of the system of import and export licences and advance-fixing certificates for agricultural products; whereas Commission Regulation (EC) No 1445/95 <sup>(4)</sup>, as last amended by Regulation (EC) No 266/97 <sup>(5)</sup>, lays down detailed rules for implementing the arrangements for import licences for beef and veal;

Whereas, in order to ensure efficient administration of the import of meat originating in and coming from Argentina, that country is required to issue certificates of authenticity guaranteeing the origin of the products concerned; whereas the layout of those certificates and the procedures for using them must be specified;

Whereas certificates of authenticity must be issued by an authority in Argentina; whereas that authority must present all the necessary guarantees to ensure that the arrangements in question operate properly;

Whereas, in order to ensure efficient administration of the import of frozen thin skirt originating in and coming from Argentina, it should be laid down that, where appropriate, the issue of import licences should be subject to verification inter alia of the information given on certificates of authenticity;

Whereas, for other countries, the quota should be managed only on the basis of Community import licences, with derogations in certain cases from the applicable rules;

Whereas experience has shown that importers do not always inform the competent authorities which have issued the import licences of the quantity and origin of the beef and veal imported under the quota concerned; whereas that information is important for assessing the market situation; whereas a security attached to compliance with that obligation should be provided for;

Whereas provision must be made for the Member States to forward information on the imports in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

The serial number of the quota shall be 09.4020.

2. The ad valorem customs duty on the quota referred to in paragraph 1 shall be 4 %.

3. The annual quota shall be allocated as follows:

The form shall measure approximately  $210 \times 297$  millimetres. The paper shall weigh not less than 40 grams per square metre.

2. Forms shall be printed and completed in one of the official languages of the Community and also, if desired, in the official language of Argentina.

3. Each certificate of authenticity shall bear an individual serial number assigned by the issuing authority referred to at Annex II (hereinafter 'the issuing authority'). The copies shall bear the same serial number as the original.

*Article 4*

A certificate of authenticity may be used for the issuing of more than one import licence for a total quantity not exceeding that shown on the certificate. Where more than one licence is issued in respect of a certificate, the competent national authority shall endorse the certificate of authenticity to show the quantity attributed.

The competent national authorities may issue import licences only after they are satisfied that all the information on the certificate of authenticity corresponds to that received each week from the Commission on the subject. The import licences shall be issued immediately thereafter.
