COURT OF JUSTICE

Action brought on 4 October 1979 by A. M. & S. Europe limited aginst the Commission of the European Communities

(Case 155/79)

An action against the Commission of the European Communities was brought before the Court of Justice of the European Communities on 4 October 1979 by A. M. & S. Europe Limited, having an office at Bristol, represented by Mr Jeremy Lever, Queen's Counsel of Gray's Inn, Mr Christopher Bellamy, Barrister of Gray's Inn and Mr Graham Child, Solicitor of Slaughter & May, London, with an address for service in Luxembourg at the Chambers of Messrs Elvinger & Hoss, 15, rue de la Côte d'Eich.

The applicant claims the Court should:

- 1. Declare Article 1 (b) of the Decision of 6 July 1979 void.
- 2. Alternatively to declare Article 1 (b) of the Decision of 6 July 1979 void in so far as it necessarily requires the disclosures to the Commission's inspector of the whole of each of the documents for which the applicants claims protection on grounds of legal confidence.
- 3. In either event to order the Commission to pay the applicants' costs herein.
- 4. Order such other relief as may be lawful or equitable in all the circumstances.

The matter of procedure in dispute between the parties is to what extent, if at all, the Commission – in the course of an investigation under Article 14 of Council Regulation No 17 – is entitled to look at a document in order to determine whether a claim to privilege for certain documents passing between lawyer and client is a valid claim.

Contentions and main arguments

- violation of the protection of legal confidence,
- violation of the principle of proportionality.

The applicants submit:

— that under the allegedly in all Common Law jurisdictions recognized principle of protection of legal confidence the Commission is not entitled to see the contents of the material for which protection is claimed and then to use the knowledge gained thereby;

— that the Commission's demand for the production in their entirety of the documents for which the applicants have claimed protection, places an unfair burden on the applicant and is out of proportion to what is sufficient to satisfy the Commission's needs for the purpose of its investigations.

Action brought on 5 October 1979 by Pierre Gratreau against the Commission of the European Communities

(Case 156/79)

An action against the Commission of the European Communities was brought before the Court of Justice of the European Communities on 5 October 1979 by Pierre Gratreau, represented by Ernest Arendt, Advocate of the Luxembourg Bar, with an address for service in Luxembourg at the Chambers of the said Ernest Arendt, Centre Louvigny, 34B rue Philippe II.

The applicant claims that the Court should:

declare the present application admissible;

as to substance, rule that it is well founded;

in consequence, annul:

- 1. The list of officials in category A remunerated out of research appropriations judged to be the most deserving of promotion to grade A 4 for the financial year 1978, published in 'Informations Administratives', No 214 of 20 November 1978;
- 2. The list of officials promoted to grade A 4 for the financial year 1978, published in 'Informations Administratives', No 220 of 20 December 1978, page 12,

drawn up by the appointing authority;

order the defendant to bear all costs and expenses of the present proceedings.

Submissions and principal arguments:

Infringement of Article 45 of the Staff Regulations and breach of essential procedural requirements

The failure to adhere to procedures has had the consequence that the appointing authority has been unable, in the applicant's case, to undertake the comparative examination of merits required by Article 45 of the Staff Regulations.

The failure to transmit to the selection board for a competition documents likely to play an essential role in relation to the drawing up of the list of suitable candidates and final appointment constitutes a breach of essential procedural requirements.

Reference for a preliminary ruling made by order of the Pontypridd Magistrates' Court dated 5 September 1979 in the case of Regina against Stanislaus Pieck.

(Case 157/79)

The Court of Justice of the European Communities has received a reference for a preliminary ruling by order of the Pontypridd Magistrates' Court, dated 5 September 1979, in the

proceedings against Stanislaus Pieck, which was lodged with the Court Registry on 10 October 1979 on the following questions:

- 1. What is the meaning of 'entry visa or equivalent document' in Article 3 (2) of Council Directive 68/360/EEC of 15 October 1968?
- 2. Upon entry into a Member State by an EEC national, is the granting by that Member State of an initial leave to remain for a period limited to six months consistent with the rights secured to such a national by Articles 7 and 48 of the Treaty establishing the EEC and the provisions of Council Directives 64/221/EEC of 25 February 1964 and 68/360/EEC of 15 October 1968?
- 3. (Only applicable if the answer to question 2 is affirmative.) Where such a national is given a six months limited leave to remain in a Member State, and being employed as a worker but having failed to apply for a resident's permit he overstays that leave, can such a breach of law be punished in that Member State by measures which include imprisonment and/or a recommendation for deportation?

The applicants claim that the Court should:

A – Principally

- 1. Annul the implied decision rejecting the complaints submitted by the present applicants or, failing that, the alleged express decisions of the Commission dated 12 July 1979 rejecting individual complaints;
- 2. Declare that the measures whereby the Commission paid to the applicants the arrears of remuneration, payable by virtue of the increase in the weighting for Italy, laid down by Council Regulation (EEC) No 3087/78, with effect only from 1 January 1978 are unlawful;
- 3. Ruling that the said Regulation is inapplicable to the present situation inasmuch as it lays down 1 January 1978 as the date from which the increased weighting is to have retroactive effect;
- 4. Inasmuch as the said measures are invalid on the grounds of infringement of the legal measures adopted in implementation of the Treaty, misrepresentation of the facts, misuse of powers and failure to comply with essential procedural requirements as described in the present application;
- 5. Declare (in the exercise of the unlimited jurisdiction which the Court has in this instance) that there should be paid to the applicants the amount resulting from the increase of the

weighting by 6.4% in respect of emoluments for 1976 and 1977 with the appropriate subsequent increase to take account of the higher levels of prices in Varese in comparison with Rome (to be determined in such a manner as the Court sees fit) together with interest;

6. Order the defendant to pay the costs.

B - As preliminary measures:

- 1. Permit, pursant to Article 29, (2) (c), the use of languages other than the language of the case for part of the proceedings as regards documents which have been or may subsequently be submitted;
- 2. Order that the actions brought by officials of the Joint Research Centre at Ispra which have the same subject-matter be joined as from the present stage of the proceedings;
- 3. Reserve the applicants' right to produce further documents and raise fresh issues in the course of the proceedings.

Actions brought on 11 October 1979 (Cases 530/79 to 729/79) and 19 October 1979 (Case 781/79) against the Commission and Council of the European Communities

(Cases 530/79 to 729/79 and 781/79)

The applicants claim that the Court should:

I. As regards the first defendant:

- 1. Declare unlawful and annul the first defendant's notice of remuneration for April 1979 and its decisions of 12 July 1979 and 28 September on the complaints in so far as it there calculates salaries on the basis of Council Regulations (Euratom, ECSC, EEC) No 3085/78, (Euratom, ECSC, EEC) No 3086/78 and (Euratom, ECSC, EEC) No 3087/78;
- 2. Rule that the applicants are entitled to remuneration which takes account of the purchasing power of the Italian lira abroad and in the Province of Varese since January 1976;
- 3. In the alternative to 2: Rule that the applicants are entitled to remuneration which also takes account of the purchasing power of the Italian lira in the Province of Varese since January 1976;
- 4. In the alternative to 2 and 3: Rule that the applicants are entitled to remuneration which takes account of the purchasing power of the Italian lira, calculated on the basis of conditions in Rome, since January 1976;
- 5. Rule that since April 1979 the applicants have been entitled to remuneration corresponding at least to the amounts paid to the applicants in Italian lire up to and including March 1979 after making the same transfers under Article 17 of Annex VII to the Staff Regulations as up to March 1979 but increased by the percentage of the salary adjustment made pursuant to Article 65 (1) of the Staff Regulations as from April 1979;
- 6. In the alternative to 5: Rule that since April 1979 the applicants have been entitled to remuneration calculated on the basis of the legal provisions in force and applicable until March 1979, thus not applying Council Regulations (Euratom, ECSC, EEC) No 3085/78, (Euratom, ECSC, EEC) No 3086/78 and (Euratom, ECSC, EEC) No 3087/78, and therefore of the same amount as the sum payable in Italian lire after making the same transfers under Article 17 of Annex VII to Staff Regulations as up to March 1979;
- 7. In the alternative to 6: Rule that the applicants are entitled to remuneration which, after transfers of the same amounts under Article 17 of Annex VII to the Staff Regulations, leaves a disposable amount in lire which corresponds to the amount in lire which the applicants received until March 1979 in which respect adjustment to the new legal situation arising out of Council Regulations (Euratom, ECSC, EEC) No 3085/78 and (Euratom, ECSC, EEC) No 3086/78 is to be made during a transitional period from actual increases in salary in the future but not from adjustments pursuant to Article 64 and Article 65 (1) of the Staff Regulations;
- 8. As a final alternative to 6 and 7: Rule that the applicants are entitled to remuneration fixed pursuant to Article 4 of Council Regulation (Euratom, ECSC, EEC) No 3085/78;

- 9. Rule that the first defendant must correct the applicants' accounts in accordance with the obligations under 2 to 8 and pay the ensuing increased amount;
- II. As regards both defendants: Order the defendants to pay the amount of the difference in Italian lire resulting from the calculation in I, 9;
- III. 1. Order the defendants to compensate the applicants for their pecuniary loss, the amount of which is to be fixed by the Court at the amount of interest at 6 % payable on the amount of the arrears from the date they fell due until the date they are paid;
 - 2. Order the defendants to pay the cost of the proceedings.

Action brought on 12 October 1978 by Philip Morris Holland B.V. against the Commission of the European Communities

(Case 730/79)

An action against the Commission of the European Communities was brought before the Court of Justice of the European Communities on 12 October 1979 by Philip Morris Holland B.V., whose registrered office is at Eindhoven, assisted and represented by B.H. ter Kuile and F. O. W. Vogelaar, Advocates, with an address for service in Luxembourg at the Chambers of J. Loesch, Agent, 2 Rue Goethe.

The applicant claims that the Court should:

- Annul or declare void, in whole or in part, Commission Decision 79/743/EEC of 27 July 1979 on proposed Netherlands Government assistance to increase the production capacity of a cigarette manufacturer (OJ No L 217, 25. 8. 1979, p. 17);
- Take such further steps or measures as the Court sees fit;
- Order the Commission to bear the costs.

Submissions and main arguments

The contested decision is in conflict with:

- (a) the EEC Treaty, specifically Article 92 (1) and (3);
- (b) one or more general principles of Community law, in particular the principles of due care, protection of legitimate expectations, and proportionality, or at least one or more published principles of the Commission's competition policy;
- (c) the EEC Treaty, specifically Article 190, because the reasons given by the Commission for the contested decision are in this regard insufficient or at least incomprehensible and/or contradictory.

The applicant claims that the factors of the relevant market, competition and trade between the Member States – and detrimental effects thereon – were incorrectly or insufficiently defined in the Commission's decision.

The consideration in the Commission's decision relating to the derogation provided for in Article 92 (3) of the EEC Treaty is, in the applicant's view, in conflict with the principle of legal certainty, legitimate expectation and the relevant published policy of the Commission on which *inter alia* the applicant was entitled to rely.

Action brought on 12 October 1979 by Dr B. against the European Parliament

(Case 731/79)

An action against the European Parliament was brought before the Court of Justice of the European Communities on 12 October 1979 by Dr B., Kehlen, Luxembourg, assisted and represented by W. H. Vermeer, Advocate at the Amsterdam Bar, Agent.

The applicant claims that the Court should:

- 1. Declare that the application is admissible;
- 2. (a) Rule that the setting up or the working of an invalidity committee within the meaning of Article 59 (1) of the Staff Regulations is unlawful or at least is unjustified in the present circumstances and should therefore be terminated;
 - In the alternative direct the European Parliament or its responsible bodies or officials to terminate or suspend the setting up or working of such a committee until a final decision has been taken in the examination of the applicant's occupational disease;
 - (b) Order the European Parliament or its responsible bodies or officials to put an end to all measures which may hinder, delay and/or thwart the work of the medical committee to ascertain whether the applicant suffers from an occupational disease;
 - (c) Rule that the medical committee's work be actively continued and completed as laid down in the Rules referred to in Paragraph 2 (a) of the application, in particular as laid down in Article 21 of those Rules;
- 3. Order the European Parliament to bear the costs.

Action brought on 15 October 1979 by A. H. Reinarz against the Commission of the European Communities

(Case 732/79)

An action against the Commission of the European Communities was brought before the Court of Justice of the European Communities on 15 October 1979 by A. H. Reinarz, Dworp, Belgium, assisted and represented by A. J. Hammerstein, Advocate, with an address for service in Luxembourg at the offices of F. Jansen, Huissier de Justice, 21 Rue Aldringen.

The applicant claims that the Court should:

1. Declare that with regard to the allowances paid to the applicant in Canada during the period from 1 May 1974 to 1 September 1977 pursuant to Regulation (Euratom, ECSC,

EEC) No 2530/72 the last subparagraph of Article 3 (3) of that Regulation and the third paragraph of Article 63 of Staff Regulations are not to be applied to the applicant;

- 2. Order the Commission on grounds of fairness to compensate the applicant for the financial loss suffered by him during the period referred to in paragraph 1 by virtue of the application of the provision referred to in paragraph 1 or at least order the Commission to pay the applicant such financial compensation as the Court sees fit;
- 3. Order the Commission to bear the costs.

The action is directed against the application of Regulation (Euratom, ECSC, EEC) No 2530/72 pursuant to which the applicant's service was terminated with effect from 1 May 1973 and, after he had settled in Canada, a monthly allowance was paid to him on the basis of the rate of exchange referred to in the Regulation.

The interpretation to be given to Article 77 (2) (b) (i) of Council Regulation (EEC) No 1408/71:

Must this provision be interpreted as meaning that entitlement to family benefits, for which the Member State in whose territory the recipient of an invalidity pension resides (in this case Italy) is responsible, takes away the right to receive higher family benefits which had been awarded previously, for which another Member State is responsible (in this case Belgium)?

Reference for a preliminary ruling by the Landgericht Düsseldorf, 4th Civil Chamber, by order of that court of 20 September 1979 in the case of Firma Saatzucht Steinach v. Firma CVS, Gesellschaft für Erwerb und Verwertung landwirtschaftlicher Pflanzensorten mbH

Firma GVS, Gesellschaft für Erwerb und Verwertung landwirtschaftlicher Pflanzensorten mbH, represented by its manager, 4 Herwarthstraße, 5000 Cologne 1, on the following question:

Do the provisions of the EEC Treaty concerning the free movement of goods (Articles 30 et seq. of the EEC Treaty) prevent the holder of plant protection rights for registrered plant varieties from prohibiting the sale or distribution by third parties of seeds which are protected by such rights, if:

 the holder of such registration rights already holds parallel rights in several Member States of the European Economic Community,

- the seeds protected by such rights are already marketed in one of those Member States by the holder of such rights or with permission of the holder of such rights,
- the seeds are subsequently imported by third parties into another of those Member States, placed on the market there and resold, and
- the legislation concerning plant protection rights for registered plant varieties in the latter Member State gives the holder of such rights the right to take legal action to prevent the seeds protected by such rights from being placed on the market by other parties, even if the seeds have previously been placed on the market in another Member State, where such rights exist, by the holder of such rights or with his permission.

After joining, if appropriate, the actions brought by other applicants concerning the consequences of the application of Regulation (Euratom ECSC, EEC) No 3087/78 of the Council of Ministers.

1. Declare null and void the decision of the defendant to settle the arrears owing to the applicants by limiting them to 1 January 1978 and without taking account of the cost of living peculiar to the province of Varese;

- 2. Rule that Regulation (Euratom, ECSC, EEC) No 3087/78 of the Council of Ministers, in particular Article 1 (1) thereof, is not applicable inasmuch as it limits the retroactivity to 1 January 1978; this head of claim being based on Article 184 of the EEC Treaty, Article 156 of the Euratom Treaty and the third paragraph of Article 36 of the ECSC Treaty;
- 3. In the exercise of its unlimited jurisdiction rule that a supplement is payable to the applicants' salaries for the period from 1 January 1976 to 1 January 1978, taking account of the cost of living peculiar to the province of Varese; the Commission should calculate and pay that amount and if the parties fail to agree the matter should be referred to the Court;

Rule that the condition set out in Article 65 (2) of the Staff Regulations has been satisfied since 1 January 1976 and that the Council of Ministers should therefore take adequate measures to ensure that officials and other servants are paid their salaries in accordance with the principles laid down in Articles 64 and 65 of the Staff Regulations, without any discrimination between them whatever their place of employment;

7. Order the defendant to pay the costs.
