The Commission has installed a telex with an automatic answering device which gives the conversion rates in a number of currencies. This service is available every day from 3.30 p.m. until 1 p.m. the following day. Users of the service should do as follows:

- call telex number Brussels 23789;
- give their own telex code;
- type the code 'cccc' which puts the automatic system into operation resulting in the transmission of the conversion rates of the ecu;
- the transmission should not be interrupted until the end of the message, which is marked by the code 'ffff'.

Note: The Commission also has an automatic telex answering service (No 21791) providing daily data on calculation of monetary compensatory amounts for the purposes of the common agricultural policy.

Commission Decision of 25 July 1989 concerning a steel undertaking

(89/C 213/03)

By Decision of 25 July 1989 the Commission of the European Communities has modified its Decision of 9 October 1985 imposing a fine on the firm Porto Nogaro SRL under Article 58 of the ECSC Treaty.

Award of aid from the Guidance Section of the European Agricultural Guidance and Guarantee Fund (EAGGF) Council Regulation (EEC) No 1941/81

1989 — first instalment

(89/C 213/04)

In accordance with Article 10 (3), of Council Regulation (EEC) No 1941/81 of 30 June 1981 concerning an integrated development programme for the less-favoured areas of Belgium ⁽¹⁾, an amount of ECU five million is provided for five years.

Having consulted the Fund Committee on the financial aspects, particularly on the amount of funds available, and having received the opinion of the Committee on Agricultural Structure and Rural Development, the Commission has selected four applications for aid representing an amount of ECU 285 760.

In accordance with Article 8 (2) of Regulation (EEC) No 1941/81, the decisions awarding aid from the EAGGF (Guidance Section) to the following projects have been notified to the Kingdom of Belgium and also to the beneficiary.

1989 — first instalment

(89/C 213/05)

In accordance with Article 16 (3) of Council Regulation (EEC) No 355/77 ⁽¹⁾, as last amended by Regulation (EEC) No 4256/88 ⁽²⁾, an amount of ECU 1 642 million is available for the period from 1985 to 1989.

In accordance with Article 2 of Council Regulation (EEC) No 3974/86 of 22 December 1986 relating to the rationalization and improvement of hygiene conditions in the slaughterhouse sector in Belgium ⁽³⁾, an amount of ECU 20 million is available for three years.

In the 1989 budget, a total of ECU 300 million is provided.

Having consulted the Fund Committee on financial aspects, notably on the financial means available, and with the accord of the Committee on Agricultural Structures and Rural Development, meeting jointly with the Standing Committee on Fisheries Structures for projects in this sector, the Commission has awarded aid, in the 1989 first instalment, to 559 applications representing a total sum of ECU 192 185 000.

The projects which are the object of these applications, and which are shown on the list attached, have been found to conform with the Community interests.

In accordance with Article 19 of Regulation (EEC) No 355/77, the decisions awarding aid from the European Agricultural Guidance and Guarantee Fund (EAGGF) to the following projects have been notified to the Member States interested and also to the beneficiaries.

Brussels 1989 — Studies programme (Policies concerning the elderly) — Open procedure

(89/C 213/08)

1. *Name and address of department awarding the contract:*

Directorate-General for Employment, Social Affairs and Industrial Relations, Division V/B/1, Commission of the European Communities, 200 rue de la Loi, B-1049 Brussels.
 2. *Method of award of contract:*

Invitation to tender by open procedure.
 3. In the framework of its policies in favour of the elderly, the Commission of the European Communities is planning to commission a consultant to carry out a study on the following subject:
— New information technologies and perspectives for the improvement of the communication of elderly people with their environment and risks of marginalization.
- The study should concentrate on:
1. The possibilities offered by the application of new technologies in the field of communication and information both as regards the home and the social environment (entertainment, study, health, self-help, etc.).
 2. The relationship between the needs of the individual and the needs of the community.
 3. The financing of new communication technology for elderly (support from authorities, voluntary organizations etc.).
 4. The social actions involved in the development of the new technical aids and the role they have to fulfil.
 5. Ways of making the elderly accustomed to the use of new technologies.

Tenderers will have to provide evidence of sound experience in the areas covered by this invitation to tender.

4. *Period of execution:*

the contract will end on 10 October 1990.

5. (a) If you are interested in this study, it is possible for you to obtain free of charge and, solely upon written request to the address cited under 1, a documentary file including the study specifications and standard reply form for the invitation to tender.
- (b) Deadline for such request: 18 September 1989.
- (c) Such information is supplied free of charge.
6. (a) Tenders should be posted on/or before 4 October 1989, by registered letter with the registration certificate acting as proof of the date of posting. Alternatively, they may be handed in to the Commission in person, on/or before the same date.

The tender must be submitted in one envelope inside another envelope. Both envelopes must be sealed. The inside envelope must bear, in addition to the name of the department concerned as set out in the invitation to tender, the words:

'Invitation to tender No ... from ... (name of the firm) not to be opened by the internal mail'.

Self-sealing envelopes which can be opened and resealed without trace may not be used.
